Student Handbook

1987-88

A guide to the policies, rules, regulations, and activities
of Mary Washington College, Fredericksburg, Virginia

Foreword

This *Handbook* has been prepared so that Mary Washington College students may have a better understanding of their institution and its rules and regulations. It contains material about what the student may rightfully expect from the College and what the College may rightfully expect from the student. No publication may anticipate and cover all situations that may arise, but most matters are covered, at least in principle, in the *Handbook*. **Each student is responsible for becoming thoroughly familiar with its contents and, it will be assumed**

that this responsibility has been met and that all students have been informed of policies and regulations.

Policies noted in this *Handbook* are in effect for the entire year. Any efforts expended toward revision of these policies will be understood as directed toward the following year. Interpretation of matters in this *Handbook* is the responsibility of the Dean of Students and the President of the Student Association. The President of the College has final authority regarding interpretation.

Statement of Rights and Responsibilities of Members of the College Community

Members of the College community have responsibilities incumbent upon all citizens, as well as the responsibilities of their particular roles within the academic community.

All members share the obligation to respect the right of freedom of inquiry, of religion, of speech, of press, of peaceful assemblage or association and of petition to the institution for a redress of grievances.

The rights of members of the College community shall not be denied or abridged on account of race, creed, national origin, marital status or sex.

The members of the College community have the right to be secure in their persons, residences, offices, papers and effects, against unreasonable searches and seizures.

All members of the College community have the right to due process in matters concerning

discipline or their status as members of the College community.

All members of the College community have other responsibilities and rights incident to the educational process and to the requirements of the search for truth and its free presentation.

The enumeration of the rights and responsibilities outlined in this statement shall not be construed to deny or disparage others retained by the members of the College community.

The term "member of the College community" embraces the College as an institution, the faculty as a body and all members of the administration, faculty, staff and student body in their official and individual capacities.

Adopted by the Board of Visitors,

Honor Council

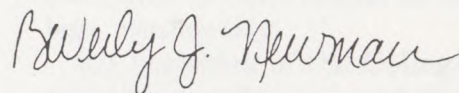

Dear Fellow Students,

As a member of the Mary Washington College community, you have chosen to abide by the rules of our Honor System. This System is vital to our way of life, for without it, there would be no mutual trust and respect between students, faculty and administration—a point necessary for our System to Survive.

It is the responsibility of each student to uphold the System in order to prevent its failure. As members of this community, we must join together to ensure the continued respect of the System and to uphold the strong tradition created by Honor. It is up to us to carry on this tradition for the benefit of all.

With these thoughts, I would like to wish you the very best of luck at Mary Washington. If you are interested in becoming involved in the Honor System, or if you have any questions, concerns or problems, please do not hesitate to call me. Have a great year!

Sincerely,

A handwritten signature in cursive script that reads "Beverly J. Newman".

Beverly J. Newman
President, The Honor Council
1987-1988

Student Association

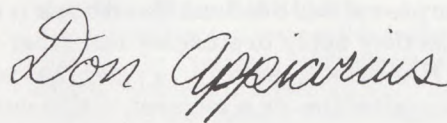

Dear Fellow Students,

On behalf of the Student Association Executive Cabinet, I extend to all of you a warm welcome to Mary Washington College. As a member of this College Community you are also a member of the Student Association. As such, you are an intrinsic part of this Institution, served by the S.A. Cabinet as your representative. It is through your participation in the Student Association that we can most effectively serve you.

The Student Association, The Honor Council, and Class Council are all integral part of student life and afford you exciting occasions to become involved. I encourage you to become aware of what is available to you and I urge you to take advantage of the myriad of possibilities that surround you.

The Cabinet has an "Open Door" policy; please feel free to contact us at any time. We look forward to an exciting and innovative school year, and wish you the best of luck.

Sincerely,

A handwritten signature in cursive script that reads "Don Appiarius".

Don Appiarius
S.A. President
1987-1988

Office of the President

Dear Students:

Mary Washington College is a community in the truest sense of the word, with faculty, administration, and students all working together toward the achievement of a common goal: the best education possible within the best possible environment. The rules which govern our conduct as members of this community are minimal, and are based upon the presupposition that each of us will act responsibly and with the understanding that, in exercising our individual freedom, we have an obligation as members of the larger community not to infringe upon the rights of others.

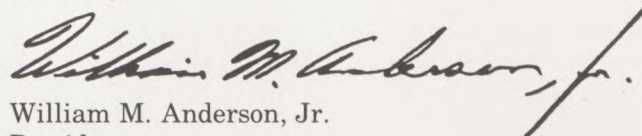

Basic to the effective functioning of this system is the Honor Code. Many of the characteristics which make life at MWC so pleasant are possible because of this shared commitment to the maintenance of an honorable community. It is therefore the duty of all students to be knowledgeable about the Honor System, to accept its philosophy, and to uphold its operation.

Another important facet of life at MWC is the Student Association. It is through its organization that the student body has the opportunity to exercise considerable self-government and to demonstrate, at the campus level, those responsibilities of citizenship which are fundamental to a free and democratic society. I fully support the work of the Student Association, and I urge all students to be active participants in its affairs.

The purpose of this **Student Handbook** is to set forth the policies and regulations of the College as they apply to students and other members of the College community. Please read the **Handbook** carefully in order that you will be able to know, and hence to uphold, your responsibilities as a member of this community.

The 1987-88 session promises to present all of us at MWC with rich opportunities, as well as with significant challenges. I look forward to working with you toward making this the greatest year yet in the history of our College.

Sincerely,

A handwritten signature in dark ink, appearing to read "William M. Anderson, Jr.", with a stylized flourish at the end.

William M. Anderson, Jr.
President

Overview

Mary Washington College is a community of scholars. As such, it must have rules and regulations so that each member of the community may live and work in a comfortable and productive environment. Because the College community is not isolated from other larger communities, it is also necessary for the entire College community including each member of the faculty, staff, student body, and administration to abide by applicable Federal and State laws. An environment of mutual trust is essential to the well-being of an academic community. As a result, the Honor System was created and has functioned successfully for many years on the campus of Mary Washington College. The philosophy of the Honor System, the Honor Constitution, and related policies and procedures are described in this *Handbook* so that each member of the College community will understand fully his or her responsibility to the system.

How A College Operates—A Look Inside the MWC Administration

Mary Washington College, like all educational institutions, is an amalgam of programs and services that blend to make an academic community. This community is directed by the President who is the chief executive, administrative, and academic officer of the College.

Appointed by and responsible to the Board of Visitors of the College, the President administers the policies of the Board and recommends to it policies and programs that promote the interests of the College. The President is charged to exercise such general authority and control over the assets, affairs, and programs of the College as shall be needed for its proper operation in conformity with the programs and policies determined by the Board. In addition, the President is responsible for the regulations of the various aspects of student life at the College, including student discipline.

The administrative officials, faculty, and Student Association officers are responsible to and recommend policy changes to the President. Although the President is responsible to the Board of Visitors for the over-all administration of the College, he has delegated to the administrative officers authority to supervise and administer various functions and operations of the College. These include: Academic Affairs, Student Affairs, Business and Finance, the Library, Continuing Education, Admissions and Financial Aid, and a variety of support services involved in planning and operations.

The following section entitled: "How to Get an Answer to Your Question," provides additional information about the duties and locations of the College administrative offices.

College Services

Banking

A full banking service is located in Lee Hall. Students may maintain accounts there. The bank will cash students' out-of-town checks up to \$50, with proper student identification, from the beginning of the school year until early April. Students are cautioned not to keep large sums of cash in their rooms. Checks drawn on other local banks will not be cashed.

Bookstore

The College Bookstore, in Lee Hall, sells textbooks used in the academic program. It also carries related instructional supplies, office supplies, personal items, gifts, greeting cards, jewelry, etc. The Bookstore sells film and provides a "24 hour" film developing service. A large department is devoted to "trade" books, including current novels, classics, and recommended outside reading.

Calendar

A calendar of events, "This Week," is published weekly during the fall and spring semesters. It contains events for the week following its publication and also lists brief announcements of concern to students, faculty, and employees of the College. Announcements and activities of recognized student organizations will be included, but it is the responsibility of the organization to submit the information either to the Student Activities Office, Campus Center by 5:00 p.m. on Monday, or to the Office of Printing Services, Lower Level, Seacobeck Hall, by 5 p.m. on Tuesday for publication in the following Friday's "This Week." "This Week" is distributed in a prominent location in each academic building. It is also distributed to individual rooms in each residence hall by the head desk aide. Students are responsible for reading "This Week" to be informed of official announcements, important information, and events on the campus.

Campus Center

The Campus Center is both a central gathering place for students and a versatile facility for organized activities. Student mailboxes, the Eagle's Nest, lounges, and the Commuting Student's lockers all generate a constant flow of students through the Center. Offices for student organizations — including the Student Association, Class Council, and the Board of Publications — are located in the Center. Musicians, comedians, and other entertainers perform in both the Eagle's Nest's "intimate setting," and at dances/parties in the Great Hall.

The Office of Student Activities is located in the Campus Center, Ext. 4023. Student organizations use this office to reserve College facilities and arrange logistics for activities. See page 27 for more information on policies and procedures concerning activities in the Campus Center.

Career Placement Services

The Office of Career Placement, located in G.W. 203, assists students and alumni in obtaining employment after graduation and some part-time and summer employment during their college career. Services of the office include:

- Job interviews on campus with representatives from business, industry, government, and education
- Job vacancy listings
- Credentials file service
- Career Library:
 - company literature and/or notebooks
 - federal government information
 - educational employment information, including

vocational information and many directories which contain addresses and telephone numbers

- Informational CAREER DAY with representatives from business, industry, government and education
- Videotaped mock interviews and critiques
- Employer perspective presentations

Career Planning Activities

The Office of Academic Services, located in G.W. 209, coordinates a comprehensive program of workshops and activities designed to assist students as they choose their majors and develop their career plans. Included in these programs are:

- Career Development Workshops
- Computer-assisted career advising programs
- Interdisciplinary Career Panels in the fall semester will showcase alumni as they present profiles of their own careers
- Workshops such as "Resume Writing," "Interviewing Skills," "Job Search Skills," and "Dress for Success"
- Various information nights hosted by academic departments during the spring semester
- Individual counseling with faculty career advisors
- Alumni "mentor" program: allows students during Career Options Observation Week to observe alumni who are pursuing careers or graduate programs of interest to students
- Academic Internship Program: a graded, credit-bearing work program for Juniors and Seniors

College Police

The primary function of the Office of College Police is to protect students and College facilities, to enforce College rules and regulations, and to aid in promoting safety and order on campus. The officers comprising the force have powers of arrest both on and off the campus for any violation of the Code of the Commonwealth of Virginia and to charge students for violation of College regulations. The office is located in Room 104, Lee Hall, and has personnel on duty 24 hours daily. The office can be contacted by telephone by dialing Ext. 4634.

Commuting Student Lockers

Lockers are available, free of charge, in the Campus Center for commuting students. Students may request locker assignments in the Office of Student Activities. Priority is given to full-time degree seeking students.

Counseling Center

The College maintains a Counseling Center staffed by professionally trained counselors interested in assisting students with their personal growth and development. It is *normal* to experience some adjustment problems, especially during the college years when many changes are occurring in terms of both outer situations and inner feelings. Whether you are experiencing a specific difficulty such as test anxiety, a relationship problem, or family pressures, or just have a need to talk about general feelings of uneasiness or confusion, the staff of the Counseling Center is there to assist you.

Counseling services are available to all degree seeking MWC students without fee. All consultation and counseling is confidential in nature in accord with usual legal and ethical guidelines. Appointments can be made by stopping by the Counseling Center on the first floor of Lee Hall or by calling 899-4361. In addition, a stress management program and a self-help tape library are available for use by students and do not require making an appointment with a counselor.

Employment

The College offers many opportunities for part-time employment. Positions, that include those in the Library, residence halls, dining hall, Pool Room, and faculty offices, pay approximately \$765 to \$2000 for the nine-month session depending upon job responsibility and the number of hours actually worked.

Inquiries about campus employment should be addressed to the Office of Admissions and Financial Aid, Lee Hall, Fredericksburg, Virginia 22401.

Financial Assistance

The College offers many opportunities for student financial aid: scholarships and grants, loans, and student employment. Students wishing to be considered for student financial aid must file the Financial Aid Form (FAF) by an announced deadline in the spring.

The College also has some limited funds available for short term loans to students who can demonstrate an emergency need for funds. Although student financial aid awards are normally made in late spring or early summer for the coming academic session, any student whose financial situation changes dramatically for unexpected reasons should always feel free to contact the Office of Admissions and Financial Aid to see if some assistance might be available.

Health Center

The Health Center, located in Lee Hall, provides emergency and diagnostic service and treats minor medical and surgical problems of residential students. Prolonged treatment, involved tests for complex symptoms, specialty services, and routine physical examinations are referred to the family physician at home or to appropriate specialists in Fredericksburg. The Health Center does not provide birth control measures, but counseling on methods of birth control and information on where to obtain birth control measures are available to students upon request. Prescriptions for birth control pills from private doctors can be filled through the Health Center. Pregnancy tests are done at the Health Center for a small fee.

Provisions are made for students to be seen and examined by a physician Monday through Friday. Hours are 9:30 a.m. to 11:30 a.m. and 1:00 p.m. to 2:30 p.m. except Wednesdays. Wednesday hours are 1:00 p.m. to 3:00 p.m. and 6:30 p.m. to 8:00 p.m. There is always a physician available on 24 hour call for emergencies seven days a week. Nurses are on duty 24 hours daily while the College is in session.

Arrangements for routine, emergency, or specialized dental care by local dentists, orthodontists or dental surgeons can be made through the Center.

Admission to the Health Center at any time of the day or night may be recommended by the College Physician, Health Center nursing staff, Counseling Center staff, Dean of Students or by student request. Any student with a fever of 100.4 or above, or felt to be a health risk to other students will be admitted to the Health Center. If a student refuses admission to the Health Center after it has been determined that such admission is necessary for his/her well-being or the safety of other students, the Dean of Students will be called and will notify the student's parents/guardians or person paying the bill. Any student suffering an extended or serious illness and living within a reasonable distance from the College may be sent home with his/her parents or guardians for recuperation.

Due to limited facilities and for the safety and comfort of other patients, students confined as bed patients **MAY NOT BE VISITED BY OTHER STUDENTS**; however, phone calls on the student phone (Ext. 4486) may be received and notes, books, packages, etc. will be delivered.

A student confined as a bed patient in the Health Center

may not take final examinations there.

Full-time commuting students may obtain Health Center privileges by paying a fee each semester through the Student Accounts Office. The fee covers routine and emergency outpatient care. Commuting students admitted as bed patients to the Health Center are charged a daily board fee.

All incoming residential students and those full-time commuting students who apply for Health Center privileges must have on file in the Health Center a form reporting the results of a recent physical examination (must include immunization history). Once received, these records are considered confidential and are available only to the medical staff.

If the medical health form has not been completed and received by the Health Center by the published date, the student will not be permitted to register for classes or check into the residence hall. Commuting students who do not desire Health Center privileges **must** still have an immunization history on file at the Health Center in order to be able to register for classes.

After 11:00 p.m., the Health Center is locked, and a student must call before coming to the door. If the nurse is not at the door upon the student's arrival, there is a lighted doorbell to ring. **IF TRANSPORTATION IS NEEDED TO THE HEALTH CENTER, THE NURSE ON DUTY MUST BE CALLED (EXT. 4606). SHE WILL MAKE THE NECESSARY ARRANGEMENTS FOR POLICE TO ESCORT STUDENTS FROM THE HALL TO THE HEALTH CENTER DOOR.**

Health Insurance

To be protected from financial loss caused by an accident or sickness, all students must belong to a health insurance program.

Each student is required to be covered under their family policy, an individual policy, or the student insurance program. The student insurance program is available through the Business & Finance Office, Extension 4637.

Library

The Library's collections of books and periodicals are an important academic resource for students, faculty and staff of the College. Services provided by the Library staff to enhance students' appreciation of the collections are described in the handbook, *Mary Washington College Library*, issued each semester.

Library policies are on page 15.

Lost and Found

The Lost and Found Service is administered by the College Police, Lee Hall. Students are urged to mark all belongings for ease in identification. All items found anywhere on campus should be turned in to the College Police between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. Lost items will be held for 30 days and then discarded, given to appropriate charities, sold at auction or, if requested, the original finder may claim the item. Anyone losing an item may use "This Week" to advertise the lost items. Such notices should be submitted in writing to the Office of Publications (Lower Level, Seacobeck Hall).

Minority Student Affairs

The Office of Minority Student Affairs, established in 1983, assists students, faculty and the College staff in the development and implementation of programs and supportive services for minority students in general, and Black Students in particular. This office coordinates activities and services for minority students with other campus offices and staff mem-

bers. Minority students receive initial intake and counseling services, and later are referred to the appropriate campus resources for further assistance.

The Afro-American Association, Asian Student Association, Hispanic Student Association, and Council of Minority Student Leaders receive program assistance from this office. Black History Month events and Martin Luther King Holiday observance, are also the responsibility of this office.

Recreational Facilities: Goolrick Hall, Tennis Courts and Playing Fields

The recreational facilities of Goolrick Hall, the tennis courts, and track are available for use at scheduled times by full time undergraduate students, faculty members, and employees when they are not in use for instructional or organized purposes. Goolrick Hall has an indoor swimming pool, a main and auxiliary gymnasium, a weight lifting room, and a handball/racquetball court. The times available vary, but, in general, recreational use is from 6 p.m. to 10 p.m. Monday through Friday and from 10 a.m. to 5 p.m. on Saturday and 1 p.m. to 5 p.m. Sunday. (Swimming is permitted only when a lifeguard is on duty). Procedures for the use of Goolrick Hall are on page 27.

Residence Halls

See section entitled **Residence Hall Policies and Regulations for information.**

Student/Faculty Dining Plan

Students have the privilege of inviting faculty members to be their guests at the College dining hall. Student hosts or hostesses must sign up 24 hours in advance in the Office of the Assistant Dean for Student Activities and pick up the ticket for which there is no charge.

Telephone Service

The telephone number of the College is (703)899-4100. Each residential student will be given the number of the hall telephone nearest his or her room. Pay telephones are located on most floors of the residence halls, and these may be used by students for long-distance calls. **Only prepaid calls may be received through the hall telephones.**

The telephones in the residence hall offices are for official use and are not to be used by students. Hall telephones are to be shared by everyone and specific regulations for sharing may be established by the students of each hall. Willard Hall, Westmoreland Hall, and the small houses are the only residence halls equipped for the installation of personal telephones. Students in these halls who wish to have private lines must contact C&P Telephone Company.

A Faculty-Staff Directory containing the home and office telephone numbers of College faculty and staff personnel will be distributed in the fall to each front desk and hall telephone. If a number is not listed or cannot be found, students may call 4100 for telephone information. To receive a replacement directory, students should inquire in Room 15 of George Washington Hall.

Identification Cards

Each student is provided an identification card and is required to present it for admission to the Dining Hall, Library, Goolrick Gym, Tennis Courts, and College-sponsored events, as well as for check-cashing purposes. The ID card is re-validated electronically each semester for the student who is attending the College. The card is the property of the College and is not transferable; nor can it be loaned. Falsification or loaning an ID card is an Honor Code offense. The cards are color coded: blue, residential student; yellow, commuting student; green, graduate student. Report lost ID card to College Police Office and to the Library. A charge of \$5.00 is made to replace a lost card. A charge of \$1.00 is made to replace a damaged card. A student who withdraws must surrender his/her card during the check-out process to the Office of Academic Services.

Library

General

The Library is an important academic community resource, with materials available for use by the students, faculty and staff of the College. The shared nature of the Library's collections encourages the responsible exercise of library privileges by all members of the community. An electronic detection system ensures that the Library's materials are available to all who need them. The system will not damage audio-cassettes or floppy disks. The theft, attempted theft, or mutilation of Library materials is an Honor Code offense.

Circulation

The student ID card is used to check material out of the Library. A lost ID card should be reported to the Library immediately, as each student is responsible for all books checked out on his or her card.

Materials are loaned for 35 days, and may be renewed once if no other reader has placed a hold on them. Materials must be brought to the Library to be renewed.

A hold or recall may be placed on an item in circulation.

Each borrower is responsible for replacement of lost or damaged library materials.

There is a fine of 15¢ per day on all overdue materials, to a maximum of \$10.00 per item. The fine ceases to accumulate when the item is returned, whether the fine is paid then or later. Two overdue reminders will be sent. If within one week of sending a third overdue notice the material is not returned, its replacement cost (or a minimum of \$35.00), together with a \$5.00 service charge, is posted against the student's account in the Office of the Vice President for Business and Finance. These charges may be paid only in that office. Should the material subsequently be returned, the Office of the Vice President for Business and Finance will credit the student's account with the full amount charged, less the fine owed and a \$5.00 charge.

Reserve Materials

Materials on reserve are available from the reserve area at the circulation desk. Special circulation policies applying to reserve items are posted there.

Periodicals

All periodicals must be used in the building. Back issues of most journals and newspapers are in microform. Coin-operated reader-printers are available for reading and copying articles, at a charge of 10¢ per page. These machines take dimes only. There is a change machine in the Library; how-

ever, readers doing extensive research are advised to bring dimes. A magazine may be borrowed, for class use only, by special arrangement with the Periodicals Department.

Services

The Library staff offers a variety of reference and instructional assistance to help students make the most effective use of the Library's extensive resources. These include a one-credit course covering bibliographic resources and research procedure, taught each semester.

Interlibrary Loan

Interlibrary loan services are available to students engaged in research projects which cannot be completely supported by the resources owned by the Library. Students wishing such supplementary or special materials must consult a Reference Librarian, to ensure that they have exhausted the Library's resources in their area of study, before submitting interlibrary loan requests. Interlibrary loan requests are limited to three items.

Prohibitions

To keep the Library free of insects (a frequent problem), food and drink are not allowed in the building. Smoking is permitted only in Room C-4, the groundfloor smoking lounge.

Mail

Mail for students is delivered Monday through Friday to assigned boxes in the Post Office located in the Campus Center. Student mail is not posted on Saturdays and Sundays. For each room in a residence hall a post office box exists, thus an illustrative mailing address for a student might be:

Joe Smith

215 Bushnell Hall

Mary Washington College

Fredericksburg, Virginia 22401-5358

Students may purchase stamps and send mail from the campus Post Office Monday through Friday between 8:00 a.m. and 5:00 p.m.

Meal Reimbursements for Internships & Student Teachers

Residential students participating in internship or student teaching programs may receive reimbursement for the meals they must miss. The necessary forms can be obtained from the director of the program and must be submitted to the Office of Student Accounts prior to the commencement of the program in order to receive credit.

Parking Regulations and Automobile Registration

The operation and parking of a motor vehicle on the campus and environs is a privilege granted by Mary Washington College. The administrative regulation of faculty, staff and student parking is necessary to provide the least inconvenience to not only the members of the College community but to the residents who live in the immediate vicinity of the campus.

The College assumes no liability for the care or protection of any vehicle or its contents. A person operating a vehicle on the campus assumes full responsibility for observing College regulations and the laws of the City of Fredericksburg and the Commonwealth of Virginia. Enforcement of these parking

regulations is the primary responsibility of the Office of College Police; however, City and State Police do have legal jurisdiction. **Definition.** A vehicle includes any motor-powered automobile, truck, van, motorcycle or scooter. **Parking** includes spaces in any lots or streets perpendicular and parallel to the College.

The College reserves the right to change any or all of these regulations as necessary and upon advance written notification to those individuals affected.

Reserved Parking Lots and Spaces

Certain areas are allotted for parking by the various constituencies of the College, but no space is guaranteed. Below are listed the areas where parking is permitted by each group and the time when parking is permitted.

All residential students with vehicles must utilize assigned parking lots from 7:30 a.m. Monday through 5:00 p.m. Friday. Residential students may park in any non-restricted spaces and on the adjacent streets of Fredericksburg after 5:00 p.m. Friday and until 7:30 a.m. Monday.

A snow emergency designation means that no car will be parked in the area when there is a threat of snow, sleet, hail, freezing rain or ice. Cars left in these spaces and impeding snow removal are subject to towing at the owner's expense.

Streets and areas designated as snow emergency include: Campus Drive at College Avenue; the road around the quad formed by Combs, Jefferson and Bushnell (student cars at Jefferson and Bushnell may remain parked in allotted spaces); the road to Marshall from Campus Drive (student cars may remain parked in allotted spaces); faculty and staff spaces in the Westmoreland lot; Campus Drive from Sunken Road; Lee Hall lot; faculty and staff spaces at Monroe Hall; at the Chandler lot, Heating Plant lot, Goolrick lots and drive, Seacobeck lots.

F. Students with Internships:

Students with internships who return to the campus after dark may be provided central overnight parking for those specific evenings. In the Westmoreland parking lot, the row of spaces opposite the senior spaces is designated as overnight intern parking. On the recommendation of the Director of Internship Programs, the Office of College Police will issue to a qualified intern a special parking permit for nights during a semester when the intern returns to the campus after dark. The intern may park in the space on the designated night(s) between 7:00 p.m. and 7:30 a.m. Cars not moved by 7:30 a.m. may be towed.

General Vehicle Registration Requirements

The vehicle cannot be registered in the name of another student or by another student. The registration sticker and color strip must be prominently displayed on the left rear bumper. The Office of College Police will indicate a location to display the decal for motorcycles or other vehicles without rear bumpers. Parking decals are renewable annually without cost.

Parking and Traffic Regulations

1. Motorcycles may be parked in a yellow triangle on any lot where a triangle is located.
2. Yellow painted curbs and lines, including those inside parking lots, indicate no parking, except as noted in 1 above. Parking is prohibited on lawns, crosswalks, sidewalks, in-service drives, driveways and alleys, within 15 feet of a fire hydrant, on the drive leading to the parking lot in back of duPont, loading zones and handicapped spaces, unless handicapped.
3. When using perpendicular parking spaces, the rear of the vehicle must face the parking lot.

4. At least one short interval (generally limited to 15 minutes) parking place is designated near each building. There are several others near the Library, Lee, George Washington, etc., for everyone's convenience. Failure to observe the time limit in these zones will result in parking fines.
5. Campus parking lots are not to be used for vehicle washing or repairs. The Office of College Police should be notified if a vehicle becomes disabled and subject to ticketing. Every effort should be made to keep vehicles in sound mechanical condition.
6. Automobile accidents on the campus involving property damage or personal injury must be reported immediately to the Office of College Police. If the person injured is an enrolled student, a report must also be made to the Office of the Dean of Students.
7. Traffic signs and signals, speed limits and instructions of police officers must be obeyed.
8. Driving under the influence of intoxicants is an offense against College regulations and the Commonwealth of Virginia. Offenders — employees, students or their guests — will be subject to such penalties as the law prescribes.

10. Pedestrians have the right-of-way in crosswalks.
11. Abandoned cars will be towed away at the owner's expense. Any vehicle which does not have current license plates will be presumed to be abandoned.
12. Persons having a temporary parking problem, whether of minutes', hours', or days' duration, **MUST** seek a solution from the Office of College Police. Disabled vehicles illegally parked must be removed within 24 hours.

Penalties, Enforcement, Appeal

1. Enforcement of all traffic rules and regulations is the general responsibility of the College Police.
2. A violation ticket shall not be discussed with the police officer who writes it except for clarification of the charge. The police officer has no authority to settle a ticket which has been issued.
3. Moving violations, such as speeding, reckless driving or failure to stop at a stop sign, will be referred by summons to the courts of legal action.
4. Fines, payable to the College at the Office of College Police, will be assessed for breach of campus regulations as follows:

\$5.00 Fine:

- Parked so as to block other vehicles
- Parked by backing into parking stall
- Parked at improper angle across stall lines
- Parked in excess of time limit
- Parked in prohibited area
- Parked in unauthorized lot or space
- Parked along painted (yellow) curbs
- Not parked within painted lines
- Parked facing the wrong way (left side to curb) or backed into perpendicular space
- Parked more than 12 inches from curb
- Parked closer than 15 feet to a fire hydrant
- Driving across or parking on curb/sidewalk
- Driving and/or parking on grass
- Failure to obey College traffic signs

\$10.00 fine:

- Registration decal improperly displayed
- Registration decal not displayed

\$20.00 fine:

- Failure to register vehicle

Late Payment of Fine:

A \$5.00 late charge is added to a ticket if it is not paid within five working days of the issuance of the ticket.

5. Student receiving 10 parking violations within one school year will have their vehicles towed for each additional on-campus violation for the remainder of the school year. Additional violations over 10 per year are subject also to other administrative disciplinary actions.
6. Appropriate disciplinary action will be determined by the Office of the Executive Vice President, George Washington Hall. Penalties will range from the loss of driving privileges for a minimum of thirty (30) days or a suspension from the College for a just cause.
7. Students with unpaid traffic tickets jeopardize their chance for continuation or readmission, and no transcript will be issued by the College until all indebtedness is paid.
8. Appeals of violations of vehicle regulations will be heard. Anyone wishing to appeal a ticket **MUST** fill out an appeal form within five working days after the citation has been issued. These forms may be picked up at the Office of College Police, completed and returned to the Office of the Executive Vice President. A student may schedule an appointment for the hearing. It should be noted that appeals will be heard only on the issue of whether or not the cited regulation was, in fact, violated. It is no excuse that one "thought it was no violation" or "did not mean to" or "saw other vehicles" in the same situation. Decisions resulting from hearings are final.

Nighttime Procedure for Students Parking at the Battleground, Tennis Courts, and Hanover Street

After dark escort service is provided, upon request, to students who wish to be transported back to the campus after parking in one of the areas noted above. (Three or more students in one car can walk back as they have security in numbers). The student wishing this service should stop at the Police Office to request the escort. The Dispatcher on duty will tell the student at what time the escort will be at the parking area. The student should allow three minutes for travel to the area and plan to arrive simultaneously with the escort.

If there is an emergency once at the area, use the telephone in the lighted parking lot to contact the Police. Do not call for the escort from that phone as you may need to wait for a number of minutes before the escort arrives. **IN CASE OF EMERGENCY ON CAMPUS DIAL 4634, OFFICE OF COLLEGE POLICE.**

Payment of Accounts

Full payment of fees and tuition must be received by the published due dates. If fees are not paid, the student will not be permitted to register for classes, attend classes, check into the residence halls, or eat in the dining hall. If fees are paid after the deadline, a late payment fee will be charged.

At the end of a semester, a student with an account balance for library fines, lost books, room damages, or other miscellaneous charges will not receive grades or transcripts until the account is paid in full. Seniors whose accounts are not paid will not be permitted to participate in Commencement exercises.

It is the responsibility of the student to contact the Office of

Student Accounts if a bill has not been received within one week of the beginning of classes.

Student Affirmative Action and Equal Opportunity

Mary Washington College is committed to the concept that all people shall have an opportunity to develop and work to the limits of their ability. The College does not discriminate on the bases of race, color, religion, physical disability, national origin, political affiliation, marital status, sex (except in housing) or age in admitting and housing students, awarding grades or in employing and promoting faculty and staff members. It is expected that each student who enrolls and each employee at Mary Washington College will uphold these ideals of equality. Questions in these matters should be directed to Dr. A. Ray Merchant, Executive Vice President and AA/EEO Officer, Room 15, George Washington Hall, Fredericksburg, Virginia 22401, or telephone to (703) 899-4368.

Mary Washington College provides disabled members of the College Community with an opportunity to participate in campus activities and programs. To fulfill this responsibility the College will keep present and future students, faculty and staff informed of how to take advantage of accessible locations and will be available to bring about resolution, if possible, wherever accessibility problems occur. For more information contact the Office of the Executive Vice President, Room 15, George Washington Hall, 899-4368.

Student Grievance Procedures For Resolving Allegations of Discrimination

Mary Washington College is committed, by policy of the Board of Visitors dated February 11, 1978, to the concepts of equal employment and educational opportunities for all persons. It is recognized, however, that allegations of discrimination may arise and that procedures for addressing them in a prompt, orderly and equitable manner should be available. The procedures that follow outline the processes and steps that have been established by the College to address specific allegations of discrimination.

Scope of the Procedure

This grievance procedure is available to any student at Mary Washington College who feels that he or she has been discriminated against by one or more persons serving in an official capacity for the College, which alleged action directly or indirectly negatively affects the education or work activity of the individual and which can be corrected by the College. The complaint or allegation must be based on one or more of the following discriminatory factors: race, color, religion, physical disability, national origin, political affiliation, marital status, sex, or age (except where sex or age is a bonafide occupational qualification). This procedure is designed specifically for resolving matters of alleged discrimination as may be applicable to Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and other requirements.

Complaints of students concerning Judicial and Honor procedures and violations, student disputes with faculty members over marks or grading policies, and student campus housing policies that specify same sex roommates and single sex or coeducational residence halls shall be referred to other established procedures for resolution. If discrimination is a

part of the allegation, the other established procedures will be utilized.

Procedures

Step One. A student with a complaint must consult in person with the College AA/EEO Officer or, in his absence, his designee within 10 working days after the event that gave rise to the alleged violation.

For this meeting, the student must complete and sign an MWC Form, D-1 (secured from the AA/EEO Officer and returned to that office) providing the following information:

1. The basis for alleged discrimination (sex, race, age, etc.).
2. A clear statement of the facts upon which the complaint is based, including an explanation of how the student has been adversely affected.
3. An identification of person(s) or the College policy or procedure considered responsible for the alleged discrimination upon which the complaint is based and an explanation of why the person(s) is considered responsible or why the College policy or procedure is considered improper.
4. A copy of any pertinent Board of Visitors or College policies or regulations, state statutes, contractual agreements, or other documents of custom or practice upon which the complainant relies.
5. A statement of the specific relief sought.

One purpose of this meeting is for the College AA/EEO Officer to determine whether or not the allegation is one that comes within the purview of these procedures. The decision as to whether the complaint is covered by these procedures or is properly covered under other procedures shall be made entirely by the AA/EEO Officer and announced to the complainant in writing within 10 working days after the initial meeting.

If the allegation is one that is within the purview of these procedures, the AA/EEO Officer will review all of the facts provided by the complainant and will thoroughly investigate the alleged discrimination. The findings of the investigation and the proposed resolution will be communicated in writing to the complainant within 10 working days after the AA/EEO Officer receives the completed MWC Form D-1.

Step Two. In the event a student complainant is not satisfied with the Step One resolution, the individual may request a Complaint Panel hearing within five working days after receipt of the Step One Decision. The request for a Panel hearing shall be made on a Step Two Complaint Form obtained from the College AA/EEO Officer and returned to him once it is completed. On the Step Two Complaint Form, the complainant will provide the following information:

1. A list of witnesses to be present at the panel hearing.
2. The identification of any counsel, advisor, or observer to be present at the hearing.

This Step Two Form, together with the Step One Complaint Form, will constitute the formal application for a Step Two Complaint Panel hearing. The AA/EEO Officer shall transmit these forms to the President of the College within five working days after receipt of them.

The President shall appoint a three-member panel composed of two full-time administrators and one full-time faculty member. The panel shall then elect a chairman from its ranks and set a date, time, and place for the hearing that shall not be more than 10 working days after it is selected. The student shall be notified of the hearing date, time, and place. Before the hearing, the AA/EEO Officer will supply the panel members with copies of the complaint forms. After the hearing, the panel will submit its recommendation to the President of the College for his consideration and action. The President shall

notify all parties of his decision within five working days after receipt of the recommendation of the panel. Procedures for conducting the hearing are given later in this document.

Step Three. If the President's decision is not acceptable to the complainant, the individual may appeal the decision to the Executive Committee of the Board of Visitors. To accomplish this, the complainant shall present to the President within 10 working days following the receipt of the President's decision a written request addressed to the Rector for a hearing by the Executive Committee of the Board of Visitors. Within 30 days after receipt of a request from a complainant, the Rector shall have the Executive Committee of the Board of Visitors review the record of the panel hearing and render a decision and notify the complainant.

The decision of the Executive Committee shall be final in all determinations relating to the College position on the complaint. Failure to comply with the decision of the Executive Committee or reprisals as a result of the decision shall be cause for disciplinary action.

The conduct of the hearing shall be as follows:

1. The panel shall determine the propriety of attendance at the hearing of persons not having a direct interest in the hearing.
2. The panel may, at the beginning of the hearing, ask for statements clarifying the issues involved.
3. The hearing shall be recorded by tape, and a copy of the tape may be supplied to the complainant at his or her request for the cost of the tape.
4. Exhibits, when offered by the complainant or the College, may be received in evidence by the panel and, when so received, shall be marked and made part of the record.
5. The complainant and College officials, or their representatives, shall present their claims and proofs and witnesses, who shall submit to questions or other examination. The panel may, at its discretion, vary this procedure but shall afford full and equal opportunity to all parties and witnesses for presentation of any material or relevant proofs.
6. The parties may offer evidence and shall produce such additional evidence as the panel may deem necessary to an understanding and determination of the dispute. The panel shall be the judge of relevance and materiality of the evidence offered. All evidence shall be taken in the presence of the panel and of the parties.
7. The panel will operate on the basis of a simple majority vote.
8. When all claims, evidence, and proofs are received from both parties, the panel shall deliberate in privacy and transmit its recommendation within five working days after the hearing to the President of the College. The President shall notify all parties of his decision within five working days after receipt of the recommendation of the panel.

NOTE: With consent of both parties, the panel may extend any or all of the time periods established in this procedure.

All questions relating to discrimination should be addressed to Dr. A. Ray Merchant, Executive Vice President and AA/EEO Officer, Room 15, George Washington Hall, Mary Washington College, Fredericksburg, VA 22401, or telephoned to (703)899-4368.

Nothing in the complaint procedure shown in this document is intended to prohibit an individual from filing in writing an allegation of discrimination with the Office of Civil Rights, Department of Health and Human Service, Washington, D.C. 20201.

Use Of The Mary Washington College Name, Seal, Logo, and Medallion

No member of the College community, student or faculty group, club or organization, or non-College group, business or individual may use the seal of Mary Washington College, the name **MARY WASHINGTON COLLEGE** or the logo or medallion, as part of its title, name, or designation or in the title or name of any publication or for advertising purposes of items or goods without prior written approval from the Executive Vice President of the College.

Withdrawals

There are two types of withdrawal from the College. Voluntary Withdrawal is a procedure initiated by the student; Administrative Withdrawal is an action taken by appropriate authorities of the College.

Voluntary Withdrawal. A student who does not plan to complete the course-work for a semester must report to the Office of Academic Services no later than the **last day of classes** to complete the withdrawal process. In order to withdraw from a semester, the student must do the following:

1. Complete the official withdrawal form in the Office of Academic Services.
2. Obtain clearance from designated officials of the College.
3. Pay all outstanding financial obligations to the College.
4. Submit evidence of parental authorization to withdraw.
5. Officially check out of the residence hall and return the room key to the Resident Director.
6. Return the MWC ID card (and key to the Assistant Dean for Residence Life, if applicable) to the Office of Academic Services.

No courses or grades will be recorded for the semester; however, a notation of withdrawal will be made on the student's permanent record.

Administrative Withdrawal. When the withdrawal of a student from a semester is required by action of the Honor Council or as a result of official administrative action, such involuntary withdrawal is termed Administrative Withdrawal. The student is given instructions when such action is taken. A student thus expelled is not eligible for readmission.

A student who withdraws in good academic standing is eligible for readmission. A student who withdraws while on academic probation may be readmitted **only** by approval of the Readmission Board. Any student in good standing who plans to return should request a Leave of Absence at the time of withdrawal. A student who withdraws under accusation of an honor offense is not eligible for readmission.

Fee adjustments are based on the official date of the withdrawal, which is the date that the withdrawal form, with all clearances, is received in the Office of Academic Services. (See Refund of Fees, Withdrawal Charges, in the *Academic Catalog*).

Student Affairs Policies & Regulations

What is Student Affairs?

What is expected of me as a citizen of the College community?

How do I book a party?

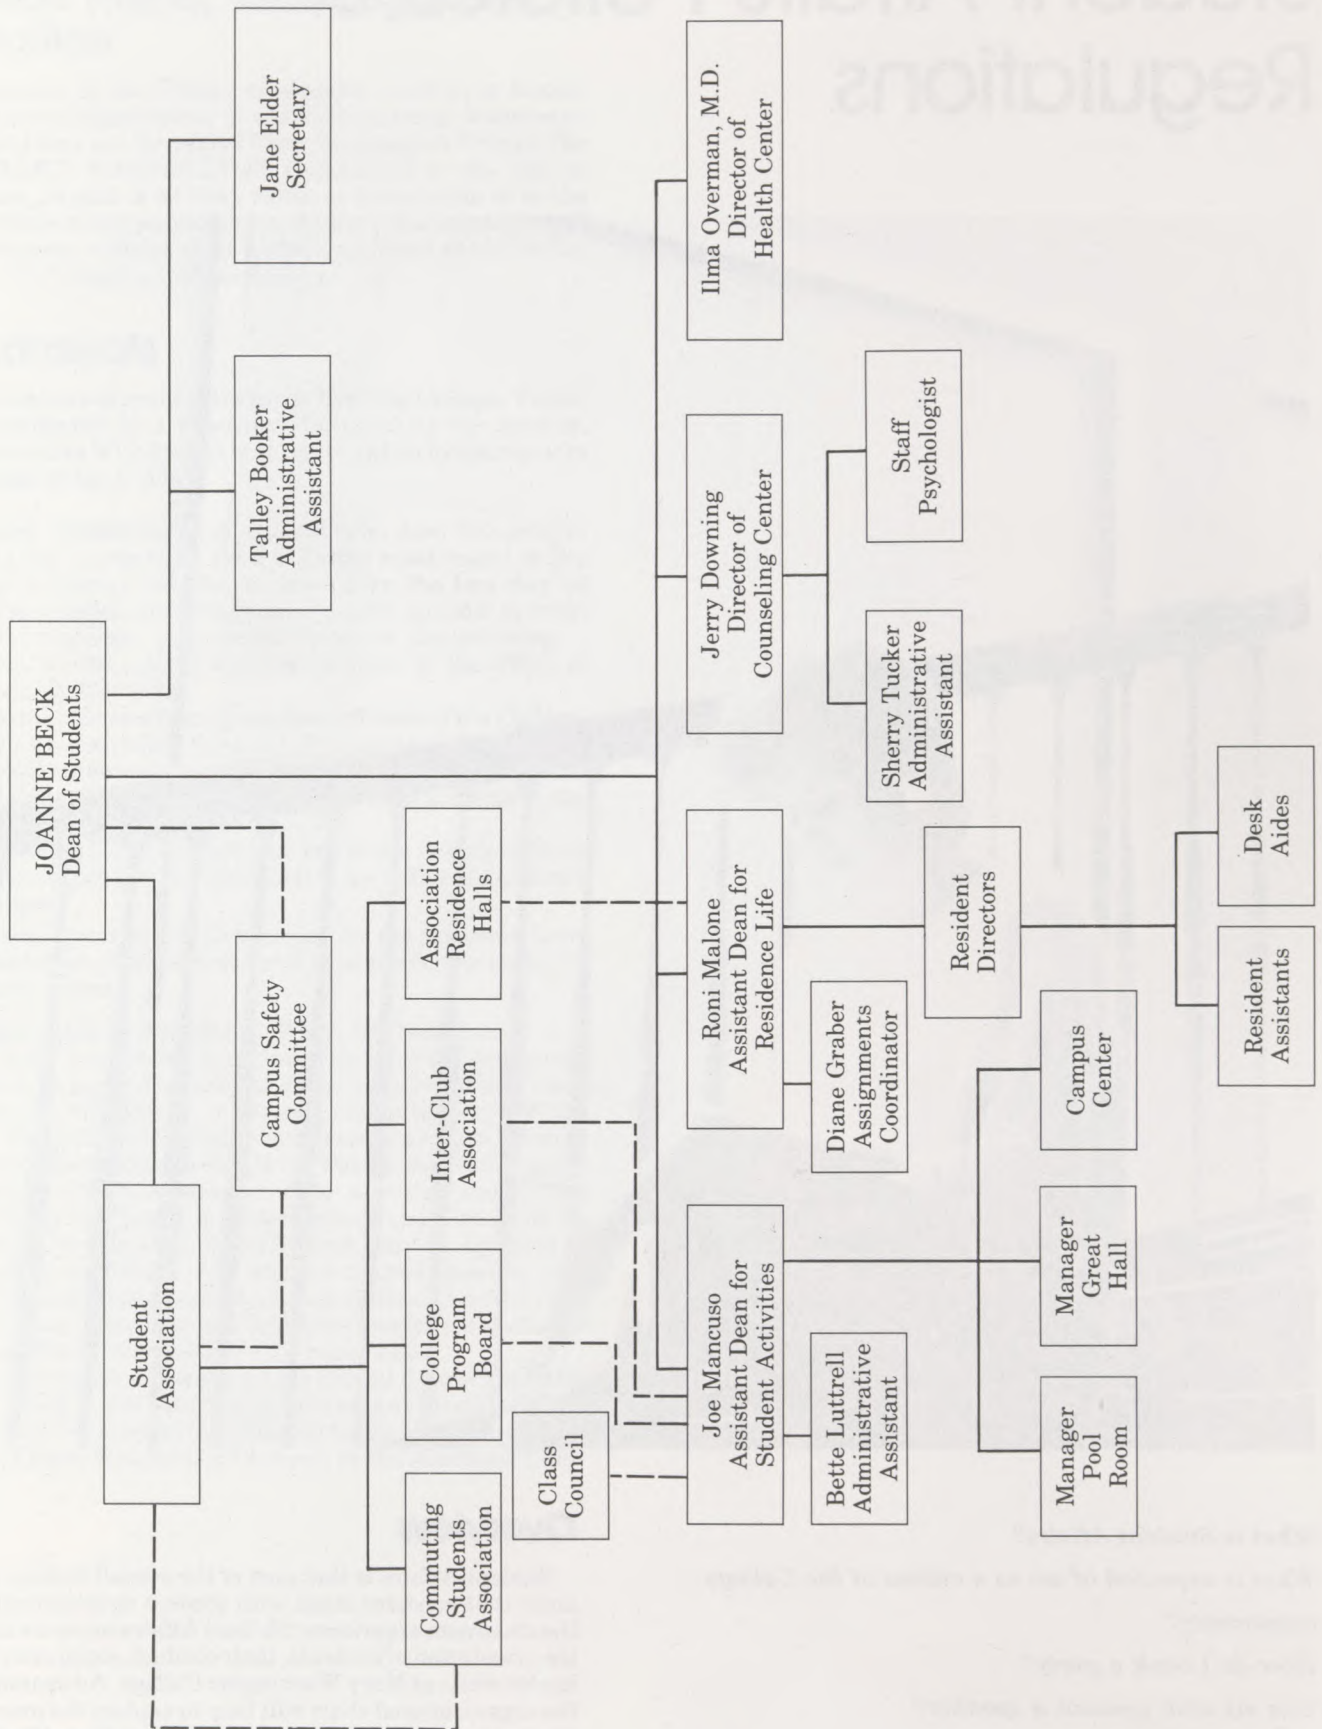

Can my club sponsor a speaker?

How can my club reserve the College bus?

Overview

Student Affairs is that part of the overall College environment that concerns itself with student development outside the classroom experience. Student Affairs concerns itself with the orientation of students, their conduct, social activities and health while at Mary Washington College. An examination of the organizational chart will help to explain the overall operation of the Student Affairs component at Mary Washington.

Student Affairs Organizational Chart

Policies and Procedures for Students in the College Community

Accepting Citizenship

Students at Mary Washington College have dual citizenship. They belong to society as a whole and also to the particular community made up of Mary Washington faculty, staff, and students. In both of those environments, respect for others is the norm. Rational, mature behavior is expected. Voluntary entrance into the community implies acceptance by the student of College regulations. It means that the student must also continue to uphold the standards of the greater community, live by its rules, and fulfill its obligations. Failure to observe these expectations will subject the student to disciplinary action through an established procedure of due process.

Many College regulations are simply a formal statement of those principles of conduct accepted as necessary for the fabric of society to hold together. Other regulations are principles designed to promote the successful functioning of a residential academic community. Thus in some instances, College standards go beyond those of the general society.

Mary Washington College students are expected to evidence mature conduct away from campus. They will be responsible to civil authorities for any violation of law. As a general rule, no additional penalty will be imposed by the College. However, in some cases the interests of the College may be affected, and when this is judged by proper authorities to be the case, disciplinary action may also be taken by the College.

Alcohol Policy

Principle on Which This Policy is Based

This policy was drafted with the clear recognition that alcoholic beverages are a factor in the social life of some young people. At the same time the College recognizes that the laws of the Commonwealth of Virginia are clear and unambiguous: persons under the age of 21 are not to purchase, consume or possess any alcoholic beverage. The position of the College is that students 21 years of age or over have, with respect to alcoholic beverages, all the rights of purchase, possession and consumption they would have any place in American society. At the same time it must be clearly recognized that students 21 years of age or over are prohibited by law from purchasing or obtaining alcoholic beverages for the purpose of reselling, providing or giving alcoholic beverages to anyone under 21 years of age.

The College endeavors to create a social environment in which students are not segregated by age, but in which alcoholic beverages are sold/served only to those students legally of an age to consume them. The College expects students of all ages to behave in conformity with the law and with maturity and responsibility with respect to alcohol when in the privacy of their rooms in the residence hall. Moderation and responsibility are the key virtues the College seeks to foster with the policy. Alcohol is an adjunct to the social life of some students but it should not be at the "center" of the social life of the Mary Washington College student.

Definitions:

PRIVATE SPACES — Student rooms in College residence halls. All other space on the Mary Washington College campus is considered to be public space with the one exception explained in the next definition.

 - G. The permit will certify that there will be no advertising of drinking contests and no advertisements emphasizing the amount of alcohol to be served.
 - H. To declare any area of a residence hall a designated private space, 80% of the residents must sign a petition requesting such designation. The parties may be held only on Friday and Saturday nights and the night of the last day of classes before either an official College break or the first Reading Day. Parties may not be held on week days nor during Reading Days, examination periods, and Commencement Week. The Head Resident/Resident Director may approve the serving of beer and/or wine if sufficient food and non-alcoholic beverages will be present and appropriate measures are taken to ensure compliance with College and State regulations. The maximum amount of beer which may be present is five (5) cans (12 oz. maximum) per of-age person. The maximum amount of wine is one liter per of-age person.
10. Alcoholic beverages will not be permitted at any athletic contest, game or match.
11. Violations of this policy will be reported to the Dean of Students who is charged with the responsibility for seeing that the provisions of the policy are carried out and that violations are dealt with. (See page ____ for possible sanctions for Violations of the College Alcohol Policy).

Campus Safety Committee and Escort Service

The Campus Safety Committee was initiated by and is advisory to the Dean of Students. It was formed to increase student awareness concerning safety issues. The objectives of the committee are:

1. To gain support of the College community in creating a safer campus environment.
2. To educate students in personal safety measures of awareness and prevention.

The representatives from each residence hall are elected in the fall.

The Escort Service is operated by students at the College for the purpose of providing a safe passage after dark for individual students who need it. For example, transportation is provided from the Battlefield Parking Lot to a student's residence hall, or from Goolrick to the Library. The service is available also to commuting students for transportation from the Library to a parked vehicle, or to a commuting student's residence if it is within three blocks of the campus. The service will also pick up students from the bus station or the train station.

The service is located in the Campus Center, Extension and operates Sunday through Thursday from 7:00 p.m. to 1:00 a.m. and Friday through Saturday from 8:00 p.m. to 2:00 a.m. After hours the Office of College Police will provide transportation about the campus upon request. 4. Specific hours for use of the swimming pool, main and auxiliary gymnasiums, paddle ball court, and weight rooms are posted each semester.

Students are reminded that the playing fields are available for recreational use when not utilized for class, or intercollegiate teams or intramural teams only after written permission has been obtained from the Chairman of the Department of Health and Physical Education.

Scheduling of College Facilities For Use By Student Groups

College space may be used by any student or recognized student group when it does not disrupt academic activities, scheduled events, College functions, or other normal pursuits that take place in the area and when such use is not physically destructive or unlawful.

The Assistant Dean for Student Activities, in cooperation with those who have reserved space, may develop and make available in advance specific provisions to govern conduct at a given event.

The Student Activities Staff, or other College personnel, are authorized to ask any student to leave the facility, if the student is using or occupying College space in an adverse way or engaging in disruptive behavior. This person may incur disciplinary action by the College or prosecution by the civil authorities.

Rules for the use of College equipment or space:

1. Space must be reserved at least 5 working days in advance of use. Reservations for space in non-academic buildings must be made with the Office of Student Activities, Campus Center. Reservations for space in academic buildings must be made with the Office of Academic Services (G.W. 209). If it is necessary to secure clearance to use the space from another College office, the Office of Assistant Dean for Student Activities must be presented with that clearance in writing before the space will be reserved and the event approved. (Events that might attract a large audience or require additional equipment should be booked as far in advance as possible).

See Scheduling Chart.

2. Individuals or groups using College equipment are required to return it in satisfactory condition. They are also responsible for all costs of cleaning and repair of the facility and equipment used. If overtime is involved, the sponsoring group will be billed accordingly.
3. Facilities will be scheduled on a first-come, first-served basis. The official function of Class Council is to plan social activities for the entire campus; therefore, it has priority over other organizations that require the use of those spaces. When a campus-wide activity is planned by Class Council, no other similar social activity may be held simultaneously unless special permission is obtained from the Assistant Dean for Student Activities.
4. Audio-visual equipment or food service equipment needed for any event must be ordered directly from the Audio-Visual Center or the Dining Hall.
5. Equipment needs related to room furnishings (tables, chairs, podium, etc.) are to be submitted in writing to the Office of Student Activities no later than **five working days** before the event. If the event involves a large amount of equipment, at least **10 work days** is required.
6. The Scheduling Chart (p. 29) indicates where certain College facilities or pieces of equipment may be requested. The student is reminded that regardless of where permission is obtained for the use of College space or equipment (except for regularly scheduled classes and labs), confirmation for that space must be made in the Office of Student Activities.
7. All **non-College individuals**, organizations, and groups desiring the use of College facilities must submit their requests in writing to the Office of the Dean of Students, Room 200, Lee Hall. **This includes the use of space requested by College personnel for any off-campus organizations or group.** The procedures for scheduling College space are:
 - a. Request from the Office of the Dean of Students a date, time and place for the event to be scheduled. This request must be made at least 10 working days prior to the event.
 - b. Should the event be cancelled, notify immediately the individual with whom the space was scheduled.
 - c. The sponsoring organization or individual will be billed for food and beverages requisitioned for the event.

Searches and Seizures

1. If the College authorities have reasonable cause to believe that a College rule is being violated in a manner that prejudices the proper and efficient operation of the College or the welfare of the student body generally, the College authorities may inspect the student's room for the purpose of investigating the violation and enforcing the College's rules. If there is reasonable ground for **belief** that the violation is taking place, and if the search is necessary for the investigation of the violation and the enforcement of the rule, and if action against the offender is limited to administrative procedures as distinguished from criminal proceedings then no search warrant would be required.

The Dean of Students, the Assistant Dean for Residence Life, or the Executive Vice President accompanied by a Resident Director and a student hall official should participate in such a search. The College Police may assist in such a search.

2. If the search is to be made for the purpose of a police investigation of a violation of the criminal law, a search warrant must be obtained even though actual prosecution may not be contemplated.

3. There are situations in which searches can be made of private residences without search warrants. Examples of these are: the search of the area under the **immediate personal control** of a person being arrested, the invasion of a person's home in hot pursuit or a search made when it is not reasonably possible to get a search warrant. These are all extraordinary situations.
4. Evidence observed by College personnel under situations above may be used in court in a criminal prosecution as well as in a College disciplinary proceeding. However, in order for this to be the case, the inspections made under situations listed above must have been made in good faith and not as a subterfuge or excuse to obtain evidence not otherwise obtainable.
5. A Resident Director or his/her designee may open a student's room for the student's parent or guardian or person responsible for payment of the student's bill when all of the following circumstances occur:
 - a) The student cannot be located through normal procedures (calling the student's room and paging student on hall intercom).
 - b) The parent, guardian or person responsible for payment of the student's bill presents proper identification to the Resident Director or designee and makes an emergency request.

Selling and Solicitation

On-Campus in the Residence Halls: If a student wishes to represent an outside firm to the campus community, he or she must request permission to do so from the Assistant Dean for Residence Life. Permission must be granted prior to the student's beginning actual employment and will be kept on file in the Office of the Assistant Dean for Residence Life.

Sales and/or solicitations by outside commercial or charitable organizations may not be conducted in the residence halls. Deliveries and collections may not be made to or from individual student rooms by non-students.

On-Campus in the Campus Center: Officially recognized student clubs and organizations may sell approved items on campus; however, door-to-door selling or solicitation in residence halls is not permitted. Organizations must receive prior approval from the Assistant Dean for Student Activities for all campus sales.

Officially recognized groups may conduct raffles on campus in compliance with regulations of the City of Fredericksburg and College policies. Consult the Assistant Dean for Student Activities for further information and approval.

Outside organizations must receive prior approval from the Office of the Assistant Dean for Student Activities before conducting any business.

Off-Campus: College clubs and organizations are not permitted to sell or solicit goods and materials at locations outside the MWC Campus without permission from the Assistant Dean for Student Activities.

Smoking

Smoking of tobacco is permitted in most areas of the College, including classrooms, unless there is a specific objection from the instructor or any member of the class. Those who smoke are responsible for any damage incurred to College property and are expected to comply at all times with safety regulations and health standards.

Smoking is not permitted in the Library (except in a special area designated for that purpose); or in Dodd, duPont, and Monroe auditoriums; or in the gymnasium, locker rooms, or swimming pool areas of Goolrick Hall. Any member of the

College community can ask a smoker to leave these areas. Failure to cease smoking when requested to do so can result in disciplinary action.

Student Organizations

Membership — All student organizations are subject to approval by the Student Association. Registration with the Office of Student Activities is required. Only full-time undergraduate students may be members of College clubs or organizations. To hold office in any organization, a student must be registered for at least twelve (12) hours of academic credit. A student placed on academic or disciplinary probation is not eligible for election to any office in a student organization, nor may he or she represent the organization in any way off-campus. If a student is placed on academic or disciplinary probation after election to an office, his or her position will be declared vacant by the Student Association Executive Cabinet.

Faculty Adviser — Every student organization must have a faculty adviser unless special arrangements are made through the Office of Student Activities, for an adviser from outside of the College Community. Unless the adviser is specifically named in the organization's constitution, each organization shall elect its adviser in March to serve for the next academic year. The name of the faculty adviser must be submitted to the Assistant Dean for Student Activities. The adviser should be a member of the faculty or staff who is interested in the organization to the extent of being willing to meet with and advise the group. Duties of the faculty adviser are:

1. To assist the group in carrying out its stated purposes

Scheduling of off-campus trips and arrangements for the use of College transportation must be made through the Assistant Dean for Student Activities and the Physical Plant. (This procedure does not apply to academic field trips.)

Student Organization Accounts

Any student organization or club that receives an allotment from the Student Association Finance Committee is required to maintain all funds in the Student Accounts Office. Failure to comply with this policy will result in the organization being ineligible to receive further funding through the College.

Student Organization Approval

All student organizations are subject to approval by the Student Association through either the Executive Cabinet, the Inter-Club Association, the Board of Publications and Broadcasting, or the Association of Residence Halls. Approved organizations are required to register with the Office of Student Activities. If such approval is denied for any reason, a group may not use College facilities, equipment or services under any circumstances. A group that has not received official administrative recognition may not in any way, identify itself with Mary Washington College. This policy is outlined in detail on page 20 of the *Student Handbook* in the section titled "Use of Mary Washington College Name, Seal, Logo, and Medallion."

Mary Washington College will not support or recognize such activities in any way. If attempts are made to conduct activities on campus, such activities will be halted and further administrative action may occur. If the policy on page 27 is

violated with regard to off-campus meetings or activities, disciplinary action will be brought against group members.

Should problems develop with regard to a group's off-campus activities, the College will regard such problems as a civil matter.

Student Sports Clubs

Men and Women's Rugby Clubs and the Crew Club will receive funding from the Director of Campus Recreation. Petitions to become a sports club and requests to use College facilities for these sports must be approved by the Director of Campus Recreation, Room 215, Goolrick Hall.

Traditions at MWC

Family Weekend: Held each fall, this occasion gives the families of Mary Washington students a chance to visit the campus and become acquainted with various academic and social programs. An all-student talent show, sports events, and a picnic are special features of this important College tradition.

Halloween: This is the biggest party and the major social event of Fall Semester! Costumes, horror movies, and many other activities highlight this two-day event.

Black History Month: Major entertainment, guest speakers, and a dance are all part of Mary Washington's commemoration of Black History Month.

Junior Ring Presentation: Presentation of class rings, a formal dance, and a concert are the major events that mark the achievements of the rising senior class. The Ring Presentation Ceremony is also the occasion for tapping new members of Mortar Board, a special honor society for seniors who have made outstanding contributions in scholarship, leadership, and service.

Devil Goat Day: This tradition is unique to Mary Washington in which Goats (classes graduating in even numbered years) compete against Devils (classes graduating in odd numbered years) in games and athletic competitions. A picnic and cancellation of classes for the afternoon make this spring event very popular.

Senior Convocation: This ceremony takes place on the evening before graduation and allows graduating seniors who have earned honors, the opportunity for special recognition. An address and awards presentation to the senior class is usually delivered by an alumnus or a faculty member.

Residence Hall Policies & Regulations

Overview

Life in a residence hall* is a very important aspect of college education. Residence halls are more than just dormitories or places to eat and sleep. They are places where the student can develop meaningful friendships, explore new ideas and become involved with the College community as a whole. Students in the residence hall community represent many different cultures. Thus, memorable experiences result from the exploration of new ideas and the acceptance of diverse points of view.

Each residence hall has a professional and student staff to develop a living environment which promotes close interpersonal relationships, a strong self identity, individual

growth, and a sense of community and individual responsibility. The Resident Director is responsible for the management of the building, counseling of the residents, supervision of the resident assistant staff, and development of hall programs. The resident assistants provide information, peer counseling and programming for the residents. In addition, staff members have been trained to deal with emergency situations and to protect individual and institutional rights through the enforcement of College policies. They assume the administrative responsibilities of a residence hall.

* The words residence hall or hall are used interchangeably and are in reference to any residential unit on campus. No differentiation is made between residence halls and houses in the policies and guidelines set forth in this section.

Accident Report Procedures

It is important that the Resident Director or Resident Assistant be notified immediately when an accident occurs involving injury to a residential student on or off-campus. The Resident Director, College Police Office, and Health Center, will inform the Office of the Dean of Students of the accident. Residential students or commuting students who have paid Health Center fees, may seek medical aid in the College Health Center when there has been an injury of any kind.

Assignment of Residence Hall Rooms

Residence hall rooms are available only to students classified by the College as having full-time student status. Only College assigned occupants may reside in residence halls or houses. Each student must occupy the room assigned by the Office of the Assistant Dean for Residence Life and a student may not change a room assignment without permission from that office. A student may not sublet an assigned room. In case of withdrawal from the College during the academic year, a student is required to vacate his/her room within forty-eight (48) hours after the withdrawal date. If circumstances result in one student occupying a double or triple room or two students occupying a quad, the student(s) may be assigned a new roommate(s). A student who does not accept this assignment will be billed for a single room. Students who misrepresent the truth, intimidate assigned occupants, or otherwise attempt to manipulate the housing process illegally will be subject to judicial action and/or contract termination.

Association of Residence Halls

Each residence hall selects a council to represent the concerns of residents and to program activities for them, both socially and educationally. These councils are advised by the Resident Directors or Head Resident of the hall. The hall council consists of the elected hall officers (president, vice president, secretary, treasurer, and social chairman) and floor representatives. Hall councils are actively involved in improving the quality of life within each residence hall through the implementation of social and educational programs. These programs provide opportunities for personal growth and promote hall spirit and unity. The presidents of each hall form the Association of Residence Halls, an organization which enables hall presidents to exchange program ideas, talk with residence life staff about administrative matters and cooperate on campus-wide activities for the entire residence hall system.

Change of Status as a Residential Student

A student who desires a change of residence which involves leaving college housing for private housing or vice versa must notify the Office of the Assistant Dean for Residence Life. A residential student who wishes to change status at the end of Fall semester must notify the Office of the Assistant Dean for Residence Life of his/her intentions by December 1, 1987. After this date the student will be required to pay the Spring Semester room charge. The spring deadline date for a change of status from a residential to commuting student is April 11, 1988. Students who change status from residential to commuting student after April 11 will forfeit the \$200 deposit and must then make a deposit of \$100 if they wish to continue as

commuting students. A student who changes from residential to commuting after June 15, 1988, will be required to pay the room charge for the first semester. A student who moves off-campus during a semester or has his/her privilege to reside in the residence hall removed by the College will be required to pay the room charge for the full semester. The Assistant Dean for Residence Life may exempt a student from his/her contract in extreme circumstances.

Damage to College Property

Each student is responsible for the general condition of the premises assigned to him/her. Damage and/or vandalism of College property and unsanitary conditions within residence hall rooms are not tolerated. A student guilty of any one of these actions can expect to have his/her privilege of living in a residence hall promptly withdrawn by the College.

Charges for malicious damage, defacement of College property, or removal of College property in the room/common areas will include labor, material, and administrative costs. Charges will be assessed to occupants of the room. If charges are related to a common area, they will be assessed equally among residents of the floor or hall. Common areas are defined as areas in common use, such as bathrooms, lounges, recreation rooms, units, or corridors.

The cost of repair for several typical damages include: reassembly of bed frame \$25; painting room \$250; cleaning of room at the end of semester \$50; replacement of screen \$50-\$75. This list reflects repair cost at the start of the College fiscal year 1987. It is not possible to guarantee that such prices will be in effect throughout the year.

Unsanitary conditions created by students in a room or hall will be remedied at the expense of the responsible student(s). For more detailed information on room damage costs, consult the Resident Director or Office of Assistant Dean for Residence Life (205 Lee Hall).

Desk Operations

Visitation may begin each semester and continue through the examination period when full coverage is provided at the front desk. However, Desk Aides must begin sitting duty as soon as they sign up, whether the schedule is filled or not. The hours for such coverage are listed below:

Upperclass Residence Hall:

Monday–Thursday	9:00 a.m.–7:00 p.m.–Volunteer Desk Duty 7:00 p.m.–2:00 a.m.–Paid Desk Duty

Any resident who does not cooperate with the system are in violation of their housing contract and will have disciplinary action taken against them.

Drugs

(See page 25 for Policies)

Emergency Situations

Any emergency situation, e.g., fire, accident or mechanical failure, should be reported to the residence hall staff immediately.

Fire Alarms, Drills, and Equipment

When the fire alarm sounds, all residents must evacuate the residence hall as quickly as possible. Failure to evacuate may result in penalties up to suspension from the Residence Hall. It is recommended that students close windows and transoms; turn off all appliances; wear a coat and shoes and take a towel to aid in breathing in a smoke filled area; keep to the right of stairs; evacuate quickly and meet at the designated point outside of the building. Students should remain outside the residence hall until the re-entry signal is given.

When personally aware of a fire:

1. Pull the fire alarm.
2. Dial College Police (4634) and describe the location of the fire as clearly as possible.
3. Notify immediately the Resident Director/Head Resident.

Three fire drills are held each semester in the residence halls. They are conducted by the residence hall Fire Marshall under the direction of the Campus Fire Marshall. Printed instructions for the fire drill procedures are issued to the occupants of each room in the residence hall. Each hall resident should, however, determine for himself or herself the location of the fire extinguisher and fire exit nearest to his or her room.

Persons who knowingly give or turn in a false alarm of fire are guilty of endangering the lives of other people and may cause damage to the person and/or equipment responding to such false alarms. Improper use of fire extinguishers, pulling a false alarm, or inappropriate activating of a smoke detector, or any tampering with fire safety equipment will result in severe disciplinary action such as suspension from the residence hall or suspension from the College. In addition, the person responsible will be expected to pay for all damages or destruction of property incurred.

Fire Safety Regulations

Certain precautions must be taken to prevent fire in the residence halls. It is essential that all residents observe the following fire safety regulations:

1. No open flames or any incendiary devices are permitted in the residence halls or apartments.
2. The storage or use of flammable liquids or substances, such as gasoline, kerosene, etc. is strictly prohibited.
3. Electrical appliances with exposed heating elements, such as toaster ovens, hotplates, etc. are prohibited. All appliances must be U.L. approved.
4. Bicycles may not be kept in hallways/stairwells, attached to fire equipment, or placed in any manner that interferes with exit from the building.
5. Cut Christmas trees are not allowed in student rooms. Live **planted** trees are permitted.
6. Drying racks, trunks, suitcases, trash, or other obstacles may not be placed in hallways, steps, doorways, or other exit routes.

Furnishings For Residence Hall Rooms

The furnishings provided by the College consist of a bed, mattress, dresser, desk, and chair. Not included are pillows, blankets, linens, towels, study lamps, irons, curtains, or bedspreads. No furnishings in the lounges, parlors, or any other areas of the residence hall may be removed. Furnishings in a student's room may only be removed with the approval of the Resident Director. Such furnishings must be stored in designated storage rooms and remain the responsibility of the student. Students are not permitted waterbeds or like furnishings. Students, however, may construct lofts provided these lofts adhere to the MWC Loft Policy and are inspected by a Residence Hall Director.

Guests: Responsibility For

All guests are expected to abide by College regulations. The student is held responsible for the behavior of his/her guest(s). The student's responsibility includes restitution for damages and disciplinary action. Residents are welcome to have overnight guests, if it is not in violation of the visitation policy, and the resident has the prior approval of his/her roommate(s). These guests may stay a maximum of three days within a week on campus (with the consent of the roommate(s) involved). Guests who abuse this or other visitation privileges will be asked to leave and denied future visits. Hosts/Hostesses are required to register their guest in a guest book. This is a written record of the guest's name, address, etc. and would be helpful in the event of an emergency.

Keys

Each room and hall key is for personal use and should not be given to any other individual. To do so is a judicial offense. There is a lost key charge of \$15.00 for room keys and \$25.00 for entrance door keys in order to help pay for the cost of changing the key codes or room locks. It is important for students to report a missing entrance door key as soon as possible, to facilitate a prompt change in the entrance key code for security reasons. Hence, failure to report a missing entrance key within 48 hours will result in a \$50.00 charge. Students who do not return their key when moving out of the residence hall will be charged \$50.00 unless there is evidence that the key was lost in the last 48 hours.

Loft Policy

The following guidelines will be adhered to concerning the construction and installation of lofts in residence halls:

1. Lofts must be free standing. Bolts, nails, etc. cannot be sunken or adhered to walls, floors, and ceilings to support the loft.
2. Lofts are to be completely dismantled and removed from the room when the occupants finally vacate the room, either by changing a residence hall during the year, or prior to the beginning of Reading Days at the end of the fall or spring term; this includes those who homestead. (Failure to do so will result in being assessed a \$25.00 improper check-out fee). At that time, the room should conform to the original room condition report, with all furnishings returned and restored, as they were upon check-in. Failure to dismantle and remove all materials as well as replacing the original furnishings will result in assessment of all labor costs to the occupants. Lofts may

be placed in storage rooms, space permitting. **Please note:** If any loft or parts of a loft are left in the room or residence hall (other than designated storage rooms), they will be destroyed.

3. Upon special permission from your Resident Hall Director, you may move furnishings into the storage room within the building. Mattresses and box springs, however, must remain in the room (unless your residence hall has signs posted indicating box springs may be stored). We suggest that you label all furnishings removed from your room. However, you will be assuming all responsibility for these furnishings being lost or stolen.
4. The residents who build the loft will assume responsibility for any damages to the room caused by the loft, and will be billed accordingly. Furthermore, the College is not responsible for any injuries to the occupants of the room or their guests as a result of the loft's existence.
5. The occupants will contact the Resident Director for an inspection and approval within 24 hours of the completion of the loft.
6. Lofts must be located and constructed in such a way that they do not interfere with access to windows, air-conditioning units, plumbing, or other items needing periodic maintenance, and that they do not interfere with or obstruct exits from the room in case of an emergency.
7. Attached room fixtures (curtain rods, light fixtures, phones, electrical switches, air-conditioning/heating covers, etc.) may not be removed or relocated due to loft construction.
8. Failure to complete a Loft Policy Form by students who construct a loft will constitute a violation of the housing contract. This form must be completed within one week of the completion of the loft construction and installation.

Opening and Closing of Residence Halls

Opening and closing dates and times for room occupancy are specified in the College calendar and must be observed. Residence halls are closed during vacations and no student is permitted to remain in a residence hall during these periods. Residents who check out improperly will be fined \$25.00. Residents wishing to remain in the residence halls for graduation (except graduating seniors) must obtain special permission from the Assistant Dean for Residence Life.

Prohibited Activities

The following activities are prohibited in the residence halls. Any violation will subject the student to disciplinary action.

1. The appropriation of any College property for private use, such as lounge furniture or recreation equipment.
2. Impeding the freedom of movement of students, College officials and guests in and around the residence hall, including access to windows.
3. Removal of window screens and/or throwing objects from residence hall windows or roof areas.
4. Theft or damage of College property or the private property of others. Damage caused accidentally should be promptly reported to the Resident Director or appropriate college official. Failure to report accidental damage will be considered a violation of this regulation.
5. Illegal tapping into or use of the cable television signal.
6. Disorderly or obscene conduct. (See Page 25 Disorderly or Obscene Conduct).

Prohibited Items

The following items are prohibited in the residence halls and will be confiscated immediately:

- ***Animals** — Out of consideration of people with allergies, and because of possible health hazards, only aquarium fish are permitted in the residence halls. This prohibition includes "residing" as well as "visiting" pets. In case of violations, all the residents of the room are in violation of the policy and are subject to disciplinary action, regardless of who may claim ownership of the animal.
- ***Candles, oil lamps, kerosene heaters**
- ***Cut Christmas trees in student's room.** Only live, planted trees are permitted.
- ***Electrical Appliances** — Personal hot plates, toaster ovens, electric frying pans, microwave ovens, personal refrigerators over 60 watts, air conditioners, or other appliances with exposed heating elements are prohibited. Use of irons is permitted only in designated pressing rooms.
- ***Exterior radio and television antennas**
- ***Firearms, fireworks and any dangerous chemical or explosive materials**
- ***Illegal drugs and drug paraphernalia**
- ***Special locks or chains on room doors**
- ***Waterbeds**

Quiet and Courtesy Hours

Creation of an environment conducive to study is a primary objective in the residence halls. This requires that each resident show consideration of others by keeping his or her noise level low, so that students who are studying will not be disturbed. The established quiet hours are:

Sunday–Thursday 8:00 p.m.–7:00 a.m.

Friday & Saturday 2:00 a.m.–10:00 a.m.

These hours may be expanded by 80% vote of the residents in the residence hall. Strict study hours (24-hour quiet hours) will be in effect during Reading Days and examination periods. Courtesy hours (students are required to be considerate of the needs of others and govern the noise level of their stereo, gatherings, and personal activities) exist at all other times.

Room Inspections and Reservation of Rights by the College

Rooms will be inspected during the fall and mid-semester vacation, Christmas vacation, spring vacation, and at the end of the academic year for physical condition and cleanliness. A student who is negligent regarding the care of his/her room can expect to have his/her privilege of living in a residence hall promptly withdrawn. The College reserves the right to (1) change any room assignment or rate; (2) enter any room for routine or emergency maintenance, cleanliness inspections, and other valid causes*; (3) control use of rooms in the event of an epidemic; and (4) terminate the housing contract for a violation of any provision of the contract, the visitation policy of the College, other College rules and regulations, or for other reasons deemed sufficient by the Dean of Students.

*Reasonable notice (24 hours) will be given in other than emergency situations.

Safety

For reasons of safety, students are urged to avoid dimly lighted areas on campus and to have someone accompany them when walking on campus after dark. Students should report any incidents immediately to the College Police (Ext. 4634).

All students are urged to lock their residence hall room and to make sure that the front door of the residence hall is secure when keying in. Special locks or chain locks on doors are not permitted.

Drying racks, trunks, suitcases, or any obstruction may not be placed in hallways, steps, doorways, or blocking access to windows.

Smoke Detectors

The College has placed smoke detectors in hallways, stairwells, and rooms of all residence halls. (Refer to page 33 for smoke detector regulations).

Statement of Resident's Rights

The following statement of Resident's Rights delineates the basic rights of all students living in campus housing. Violations of a resident's right can result in disciplinary action.

Frequently conflicts between roommates revolve around the possible infringement of rights. A roommate relations brochure is available to help students avoid visitation conflicts. This brochure provides guidelines for developing a written agreement, called a contract, between roommates. Based on the principles of the resident's rights listed below, the roommates can discuss and then put in writing, the manner in which they will handle such issues as smoking in the room, and use of each other's possessions. This brochure is available through the Residence Life staff.

1. The right to read and study free from undue interference in one's room. Unreasonable noise and other distractions inhibit the exercise of this right.
2. The right to sleep without undue disturbance from noise, guests of roommate, etc.
3. The right to expect that a roommate will respect one's personal belongings.
4. The right to a clean environment in which to live.
5. The right to free access to one's room and facilities without pressure from a roommate.
6. The right to personal privacy.
7. The right to host guests with the expectations that guests are to respect the rights of the host's roommate and other hall residents.
8. The right for redress of grievances. Residence hall staff are available for assistance in settling conflicts.
9. The right to be free from fear of intimidation, physical and/or emotional harm.

Storage of Personal Belongings

Limited provision for storage space of properly marked trunks, and large suitcases is made in each resident hall. Items to be stored must be **plainly** labeled with student's name, address and date. **No other items may be stored.** Students may store bicycles in their room whenever the residence halls are closed throughout the regular academic year. During the summer vacation, students are provided with limited storage space for properly marked trunks and suitcases. The College is not liable for any items stored by students at any time. Students are encouraged to check current

insurance policies to determine if their personal belongings are insured.

Telephones

The telephones in the residence halls have been installed for student convenience. Students may use the phones to call on campus or in the Fredericksburg area. Students cannot place long distance calls from hall phones. Pay phones and "charge-a-call" phones are provided for this purpose.

Personal phones are permitted in halls with equipped telephone jacks. These currently include Westmoreland, Willard and the special interest houses, i.e. Framar. Students in these halls who wish to have private lines installed must contact C&P Telephone Company. Should abuses occur to any of the hall telephones, the C&P Telephone Company will investigate, identify, and prosecute offenders. When offenders are convicted, the College will also take disciplinary action.

Trash Disposal

Trash in a residence hall is to be deposited in designated areas and is removed on a regular schedule. Students are expected to remove trash from their rooms and deposit it in designated areas.

Twenty-Four Hour Study Areas In Residence Halls

1. A hall may designate study areas within the building subject to approval by the Assistant Dean for Residence Life.
2. These areas will be designated by the recommendations of the Hall Council and approval of 80% of the hall residents.
3. During the hours that visitation is not in effect, escorted students may proceed to and from the study area, but they may not walk through any other area within the building. Students using the study area must be escorted at all times by a resident of the hall.
4. All 24 hour study area guests must be signed into the study area guest book at the hall front desk.
5. A student is at all times responsible for the conduct and actions of his/her guests and is liable for any damage caused by the guest.
6. Any violation of 24 hour study area regulations is subject to immediate judicial action.

Visitation

Visitation is a privilege extended to the student body. This privilege has been granted with the understanding that residents of the various halls will both assume the responsibility of staffing the hall front desk when paid desk aides are not on duty and adhere to the regulations concerning visitation.

Visitation is defined as the hours when a person of the opposite sex may visit a student in a residence hall.

Visitation may begin each semester and continue through the examination period when full coverage is provided at the front desk.

Visitation is not permitted during Reading Days. During examination periods and during the period from the end of examinations through Commencement, visitation is not permitted unless a written affirmative petition signed by 80% of the residents is presented to the Assistant Dean for Residence Life at least two working days before the first exam day.

MWC students violating a visitation rule in either their own residence hall or any other residence hall will be subject to disciplinary action. Students are also responsible for the actions of their non-MWC guests and are liable for any damages caused by a guest (see also Guests: Responsibility For — on page 33). The Resident Director or designee may permit a member of the opposite sex in a student's room while that student is moving into or out of the room or in other extenuating circumstances.

The visitation hours are listed below:

Extended Weekend Visitation:

Upperclass Residence Halls

Monday–Thursday 9:00 a.m.–2:00 a.m.

Friday–Sunday 9:00 a.m. Friday–

2:00 a.m. Sunday

Standard Visitation:

*At the end of the first semester all first-time freshman residence halls whose residents have maintained an overall average G.P.A. of 2.0 or better will vote on whether they wish to have extended weekend visitation for the second semester. To make the change 80% or more of the residents must vote for the change.

Campus Disciplinary System

How does the Judicial System work?

What rights do I have if I am suspected of a violation?

How do I appeal a sanction and to whom?

Who is on the Student Judicial Court?

Overview

The Judicial process is a learning experience which teaches the individual responsibility to oneself and the academic community. The Judicial System attempts to balance the needs of the community and the needs of the student. Hence, the Judicial System has two main objectives: to hold students accountable for inappropriate behavior and to modify those behaviors deemed inappropriate in order to maintain a positive living-learning environment within the College community. There are some behaviors which cannot be tolerated because they threaten the basic safety and/or well being of others in the community. By establishing a set of rules and

regulations, the general welfare of all students can be promoted.

Since the President of the College is charged with the responsibility for the regulation of all aspects of student life at the College, the College administration must insure that the campus environment remains safe, comfortable, and supportive of the mission and standards of the institution. In addition, an academic community should promote maximum opportunities for self government. To this end, the College administration has delegated certain authority to the Student Association for the establishment and enforcement of mutually agreed upon rules and regulations. There are other rules and regulations, however, for which the administration of the College maintains primary enforcement responsibility. In addition, violations of Local, State, and Federal Laws are subject to criminal prosecution by those bodies.

All students and other members of the College community are expected to uphold standards that reflect credit to themselves and the institution and to abide by all College rules and regulations. Should the conduct or action of a student or group of students be detrimental to the environment of the College, or interfere with the educational process or the operation of the institution, appropriate disciplinary action will be taken.

Procedures for Handling Violations of College Rules and Regulations

Whenever an alleged violation of College policy is observed by or comes to the attention of the College Police, the Residence Life staff, or the Dean of Students Office, a written report detailing the incident will be made by the person observing the violation. The appropriate official shall investigate the incident and determine the necessary accusation(s), if any. The Dean of Students or her designee shall direct the case to the appropriate administrator, to the Student Judicial Court or to the Administrative Hearing Board. The accused student will be notified of the accusation.

If the student is seeing the Dean of Students or another member of the administration, he/she must make an appointment immediately upon notification of the accusation. The accused should make this appointment no later than twenty-four (24) hours after such notification. The purpose of this appointment is to discuss the accusation(s) with the student.

If the student will have a hearing before the Student Judicial Court or the Administrative Hearing Board, he/she will be notified of the time of the hearing. This notification will be at least seventy-two (72) hours prior to the meeting. The seventy-two (72) hour time period may be waived in writing by the accused if he/she desires.

Should more than one student be charged in the case of joint participation in a violation, each student will be provided the option of having an individual appointment to discuss the violation.

In keeping with the belief that discipline should be a learning experience, the Dean of Students, the Assistant Dean for Residence Life, a staff member, or the Student Judicial Court will work with the student in attempting to remedy behavioral problems by:

1. reviewing the situation;
2. listening to the student's view of the situation;
3. discussing the effects of inappropriate behavior on the individual and the group;
4. using possible resource agencies on-campus or in the community to help correct the problem;
5. informing the student of the possible repercussions of any further behavioral problems;
6. applying the appropriate sanction, such as: payment for repairs of damages, work projects, letter of reprimand or suspension from the residence halls.

If the accused student is not satisfied with the results of an appointment with the Resident Director then the accused may appeal his/her case to the Assistant Dean for Residence Life. If the accused is not satisfied with the results of the appointment with the Assistant Dean for Residence Life or the Dean of Students, then the accused may request an Administrative Hearing. If the accused student is not satisfied with the results of the appointment with the Student Judicial Court then the accused may request a Judicial Appellate Board Hearing.

Administrative Hearing Board

An accused student may appear before the Administrative Hearing Board if the Dean of Students or Assistant Dean for Residence Life feels an Administrative Hearing before this Board is necessary **or** if the accused student appeals an administrative decision to this Board.

Generally, a hearing will take place prior to the College enforcing any disciplinary action; however, if the student is accused of a violation that results in criminal prosecution or is of a nature that may endanger or disrupt the well-being of the College community, the student may be suspended from the College until such time as the hearing can be scheduled. The purpose of the hearing is to provide a full account of the circumstances and facts involved.

The Administrative Hearing Board shall have full authority to determine the disciplinary action, if any, to be imposed upon a student found guilty of a violation. An exception exists however, if the Board determined that the student should be expelled from the College. In this instance, the presiding officer, the Board Chairman, shall brief the President on the circumstances and findings prior to the decision becoming final. If for any reason, the President of the College concludes that a lesser penalty be more appropriate than expulsion, the President may accordingly amend the decision of the Board. The President may not impose a punishment more harsh than that of the Administrative Hearing Board.

No recording or taping of the hearing shall be made by other persons. The Chairman shall maintain the hearing tape for the period of time the student is allowed to make the appeal. If an appeal is not made within the time allotted, the Chairman shall erase the hearing proceedings from the tape. In the event of an appeal, the tape

If a student disagrees with any part or all of the incident report, he/she may submit a written request to contest its contents within 48 hours. If the student does not contest the incident report within 48 hours, it will be understood that the student admits to the facts and circumstances of the incident report. The Resident Director of the students involved will keep a copy of the report on file. Incident reports are part of the student's conduct record. They may be considered individually or accumulatively to remedy the behavioral problem.

Student Judicial Court

Philosophy of the Court:

All of the Court's activities, and ultimately its very existence, derive from a single principle: Dedication to student responsibility for student actions. Thus the Court conceives of its role, in terms of the College Judicial process, as one of mediation between the expectations of the College as an enduring institution, the needs and rights of the student body as a whole, and the needs, rights and impulses of the individual student. The sanctions it recommends represent, not an attempt to punish, but the result of the best possible balance of the three interests, and are a sincere attempt to communicate to the individual, at the most immediate level possible, that his/her actions have somehow damaged the mutual ongoing process of education.

Composition of the Court:

The Student Judicial Court shall be composed of the Student Judicial Chairman and twelve elected members, three from each class. The Court is advised by the Assistant Dean for Residence Life. If a judicial representative feels that he or she cannot hear the case objectively, the representative shall disqualify himself or herself from the trial. A quorum of five must be present to hold a trial. The others shall be reserved in the event of an appeal.

Procedure for Student Judicial Court Hearings:

1. The Residence Life staff member and accused student are introduced to the Court by the Student Judicial Chairman.
2. All are reminded of the Honor Code.
3. The Residence Life staff member briefly relates to the Student Judicial Court the circumstances of the case and/or facts relevant to the case.
4. The Chairman reminds the accused student that he/she does not have to testify.
5. The Chairman asks the accused student to relate the circumstances surrounding the case to the court.
6. Any other witnesses are then escorted into the courtroom and reminded of the Honor Code.
7. The witnesses supporting the accusation give their testimony, followed by the witnesses supporting the suspected student.
8. The Residence Life staff member, accused student, and the members of the court may ask questions at the conclusion of each testimony and presentation of evidence.
9. After testimony, the Chairman adjourns the court for deliberation. The Court may recall the accused, the staff member and any witnesses to further question their testimony. At this time, additional comments may be made. The court must reach a majority rule decision after discussion.

All records of a trial (tape and minutes) in which a verdict of guilty is given will be kept locked in the judicial files. It shall be the duty of the Student Judicial Chairman to see that these records are properly and safely stored. Inspection of these records will only be granted to any person who may prove his or her legitimate interest in that case to the Student Judicial Court.

In the case of a not-guilty verdict, all minutes and tapes of the trial shall be destroyed.

10. The Court is reconvened and the Chairman announces the Student Judicial Court's decision.
11. The Student Judicial Chairman must remind the accused student of the right to appeal the decision to the Judicial Appellate Board.
12. All hearings will be assumed closed unless the accused requests otherwise.
13. The disciplinary action will be presented to the violator in a letter with a copy to appropriate persons. (See *Disciplinary Actions* in the section entitled *Judicial and Campus Disciplinary Systems*.)

Procedure for Appeal to Judicial Appellate Board:

The Judicial Appellate Board shall be composed of the Student Judicial Chairman, and three non-biased members of the Student Judicial Court. All will serve with equal voice and vote.

An accused who has been found guilty of a judicial regulation by the Student Judicial Court, may, within five school days after notification of the decision of the Student Judicial Court, request the Judicial Appellate Board to review the decision of Student Judicial Court on any one or both of the following grounds:

- a. denial of due process

3. The recording of the trial is heard.
4. The appealing student may present evidence he/she feels supports his/her appeal.
5. The Appellate Board may question the appealing student, any witnesses, or the Residence Life staff member (if present).

Honor Council Organizational Chart

Honor Code

Registration as a student in the College is not complete until the Honor Pledge Card has been signed. No grades or credits will be released unless the pledge is on file.

If a student has not signed an Honor Pledge Card by the end of the Drop Period (as specified on the Master Calendar), the student's matriculation shall be cancelled, and fees paid will be refunded according to the withdrawal outlined in the catalog.

New students shall have the opportunity to receive honor counseling by an Honor Council Representative or an Honor Counselor and sign the Honor Pledge Card. Notices as to when counseling will be held will be posted during each registration period.

The ultimate responsibility for counseling and signing of the Honor Pledge Card rests in the hands of each individual student.

Honor Code

I, as a student and citizen of Mary Washington College, do hereby resolve to uphold the honor of the College by refraining from giving or receiving academic material in a manner not authorized by the instructor; from the illegal appropriation of the property of others; and from the deliberate falsification of facts. I shall do all in my power at all times to create a spirit of honesty and honor for its own sake both by upholding the Honor System myself and by helping others to do so. I understand and accept the Honor System and the Honor Constitution. I realize that a plea of ignorance will not be accepted by the Honor Council. I further understand that a violation of the Honor Code could result in my expulsion from the College.

Honor Constitution

Preamble

The Honor System is the mature and deeply cherished moral code of personal integrity at Mary Washington College. The students derive their authority and responsibility to create and maintain an honor system from the Board of Visitors. Because students are responsible for deciding when a breach of honor has been committed, the enforcement of the Honor System is in their hands.

Each student as a member of the student body at Mary Washington has the responsibility, not only for familiarizing himself or herself with the provisions of the Honor Code upon which the student body has agreed, but also for developing

within himself or herself the highest and strongest personal honor code possible. Each student must realize that by accepting admission to Mary Washington, he or she has agreed to abide by all the provisions of the Honor Code. When he or she signs the Honor Pledge Card, he or she is committing himself of herself to support the Honor System. The student is stating that he or she understands it and realizes that a plea of ignorance is not acceptable. Matriculation as a student in the College is not complete until the Honor Pledge Card has been signed. No grades or credits will be released unless the pledge is on file.

Article I: Scope of the Honor System

Section 1. The Honor System requires that a student govern his or her own conduct in an honorable way at all times in his or her dealings with any member of the College Community.

Section 2. The Honor System applies to a student's conduct in all aspects of his or her academic pursuits at Mary Washington.

Article II: Provisions of the Honor Code

Section 1. The violations of the Honor Code are lying, cheating, or stealing.

A. *Lying* — A deliberate, unjustifiable misrepresentation of the truth.

1. Forgery is considered lying. Forgery is falsely and fraudulently making or altering a writing or document which if genuine would have some legal effect upon the rights of others.

2. Falsification or misuse of the student identification card is considered lying. The use of another's identification card or allowing another to use one's own constitutes misuse.

B. *Cheating* — An intentional misrepresentation of someone else's work as being one's own or a misrepresentation of the circumstances under which the work was done.

Copying, collaboration, plagiarism, and divulging information as defined below are forms of cheating prohibited by the Honor Code.

1. Copying is the use of (a) one's own material (b) another's material (c) crib notes (d) textbook (e) class notes during an examination or test *without authorization* to do so. NOTE: Crib notes refer to notes brought into class for illicit use during the examination.

2. Collaboration — Working with another person or persons in the execution of a test, report, paper, laboratory work or assignment *unless authorized* to do so. Except where joint effort is permitted or special regulations are made by the instructor, all work for which credit is sought must be performed by the individual student.

3. Plagiarism — Consists of copying or imitating the language, ideas and thoughts of another author and presenting this material as one's original work.

The following standards shall apply in determining whether a document has been plagiarized in violation of the Honor Code.

a. Common Knowledge — Consists of information quickly assessable to the reader of a given document. The reader need not actually know the information, but he or she must be able to check its accuracy quickly in any good library without citations from the author of the paper. Usually, the reader should also be able to check or pursue the information in a variety of published sources. Such common or readily available information does not require documentation. But if the reader does need to use a particular source to follow up or verify the information, a reference to that source is necessary.

b. Paraphrasing — Consists of complete rewording, using one's own sentence structure. Any paraphrased facts or ideas that are not common knowledge must also be footnoted.

c. Quoted Matter — When the writer borrows what belongs to another, he or she must indicate the source by internal reference or footnote. The writer must enclose another's words, phrases or ideas in direct quotations. All direct quotations or more than three consecutive significant words (this is only a rule of thumb) should be indicated by quotation marks. It is the student's responsibility to use a recognized source, as Seeber's *A Style Manual for Students* or the *MLA Style Sheet* as a guide for making footnotes and bibliography unless otherwise instructed by the professor.

IT IS THE STUDENT'S RESPONSIBILITY TO FIND OUT ALL THE REQUIREMENTS OF ANY COURSE FROM THE PROFESSOR. IF A STUDENT IS IN DOUBT CONCERNING PARAPHRASING AND COMMON KNOWLEDGE, HE OR SHE SHOULD CONSULT THE PROFESSOR FOR INSTRUCTIONS.

4. The fabrication of work (i.e. data, laboratory work, graphs, statistics, bibliographies, etc.) is considered cheating.

5. Divulging Information — Revealing or disclosing information relating to academic work without authorization to do so.

6. It is the obligation of the professor to explain the conditions under which the work assigned is to be completed, and it is the obligation of the student to be familiar with and to accept these conditions.

In order to reaffirm his or her belief in the Honor System, a student shall write out and sign his or her name to the following pledge on quizzes, examinations and other work; *I hereby declare upon my word of honor that I have neither given nor received help on this work.* This pledge means that the work which the student hands in to his or her professor is his or her own and has been done in accordance with the requirements of the course as presented by the professor. This pledge also means that the student will not divulge the contents nor the format of an examination until all exams have been taken.

C. *Stealing* — Taking another person's property without his or her authorization or consent. Unauthorized duplication of a College key is considered stealing.

Article III: Organization of the Honor Council

Section 1. The Honor Council is a judicial body designed to try specific cases brought to it by any member of the College community regarding possible violations of the Honor Code. It has no responsibility for discovering guilt before an accusation has been made. Section 2. The Honor Council president is elected by the entire student body. At least seven members of the Honor Council must vote in favor of recall in order for the motion to be carried. If the recall motion is carried, there will be an election as soon as possible to fill the vacancy created. If the Honor Council fails to recall upon petition, this action may be over-ridden upon a petition of 40 percent of the constituency followed by a simple majority of the votes cast by the student body. The recalled member of the Honor Council retains the right to participate in the election.

Article IV: Procedure

Section 1. Investigation

- A. The Honor Council is governed by the premise that every person is deemed innocent until proven guilty. A student who places himself or herself in suspicious circumstances is endangering both himself or herself and the Honor System. All members of the College community should feel obligated to investigate a possible violation of the Honor Code, and with the assistance of such persons as he or she may have reason to call upon, investigate the matter as secretly and speedily as possible.
- B. If, after the investigation, the investigating party is satisfied that the suspected student is not guilty of an Honor violation, there shall be no further proceedings, and nothing connected with the case will be made public. If, however, the investigating party believes the suspected person guilty of a violation of the Honor Code, he or she shall approach that person with a request for an explanation of his or her conduct. If the former party is satisfied by the latter's explanation, there shall be no further proceedings. If no satisfactory explanation is made, the investigating party shall specifically accuse the one under suspicion and shall immediately notify the Honor Council president. The accuser must also give written notice of the accusation to the Honor Council president.
- C. The Honor Council president shall notify the accused in writing of the charge against him or her and shall require him or her to elect to withdraw from school within 72 hours or stand trial before the Honor Council. Such election shall be in writing addressed to the Honor Council president.
- D. If the accused does not withdraw from school within 72 hours after notification by the Honor Council president, he or she shall be deemed to have elected to stand trial. The Honor Council president shall set a time and place for

trial and shall notify the accused of the provisions and procedures applicable to trial.

- E. The trial shall take place not less than three days nor more than 15 days after the formal notification by the Honor Council president to the accused. The accused may waive the three day restriction if he or she should desire an earlier trial. For good cause shown, the Honor Council president with the consent of the accused may extend the trial beyond the 15 day limit. If the accused prefers to withdraw from the College, his or her status shall be the same as though he or she had been found guilty and dismissed by the Honor Council. On his or her official transcript, it shall be recorded that the student withdrew from the College under accusation of an honor violation. An accuser may not withdraw a charge upon the agreement of the accused to depart from the College. When the accused desires to leave Mary Washington without a trial, the Honor Council shall take action to record the facts as they were presented, and the proper administrative offices will be notified to record the change of status and the accusation on the transcript. If a student leaves the College either before or after a trial, the Honor Council president shall notify the President of the College of such action.

Section 2. Trial

- A. At least five, but not more than eight, unbiased Honor Council representatives plus the Honor Council president shall participate in each trial.
- B. If a council member feels that he or she cannot hear the case objectively, or if the council feels that a member cannot judge without bias, then said representative shall disqualify himself or herself, or be disqualified by the Council from the trial by a two-thirds vote of the sitting members.
- C. The accused may engage someone to advise and act as his or her counsel, but the accused must answer all questions directed to him or her. The accused may ask anyone whom he or she desires to speak in his or her behalf.
- D. The Honor Council president shall appoint a member of the Honor Council to advise the accuser, which adviser shall assist the accuser in organizing his or her evidence for trial, shall advise the accuser on the merits of the case and shall further assist the accuser during trial. This member of the Honor Council may not sit with the Honor Council as a participant during the trial or on an appellate board relating to the case, nor may he or she discuss the case with any member of the Honor Council before or after the trial.
- E. The order of trial shall be as follows:
 - 1. Call to order by the Honor Council president.
 - 2. Confirmation that the accuser and the accused are present. Both shall be present when all testimony is given.
 - 3. The accuser shall give his or her evidence followed by questions from the accused or his or her counsel. The members of the Council may then ask questions of the accuser, or his or her adviser.
 - 4. The witnesses for the accuser shall then be examined similarly.
 - 5. The accused shall give his or her evidence and then be examined similarly.
 - 6. The witnesses for the accused shall be examined similarly.
 - 7. Closing statement by the accuser or his or her adviser.
 - 8. Closing statement by the accused or his or her adviser.

9. Deliberation by the Honor Council in executive session. The Council may adjourn its deliberation to hear such additional evidence as it deems appropriate.
10. Announcement in open session of the findings of the Honor Council.
- F. The accused may request an open trial. As many people as can safely sit in the area in which the trial is to be held may attend the trial upon the request of the accused. Those persons present during the trial are to keep facts of the case secret for the benefit of the parties involved. No notes may be taken during the trial by spectators and no information relating to the case may be divulged unless requested by the accused, regardless of whether the verdict is not guilty or guilty.
- G. No person shall be found guilty unless the council is convinced of the guilt of the accused. There shall be no abstaining vote. A verdict of guilty, unless unanimous, may be upon but one dissenting vote. If, upon due deliberation and votes taken, the council cannot agree unanimously or with a single dissenting vote, the accused shall be acquitted.
- H. Whenever a violation of the Honor Code is proved, the Honor Council will decide upon one of the following penalties:
 1. Conviction without dismissal.
 2. Suspension — Dismissal of the student for a semester or a definite length of time. After such time, he or she may reapply to the College through the Office of Admissions and Financial Aid.
 3. Absolute Dismissal — Absolute dismissal shall be imposed by a vote which is unanimous or with one dissenting vote.

The Honor Council must impose one of the above penalties. The Honor Council will not take into consideration a previous offense of the accused in determining guilt in a trial. However, the Honor Council may take into consideration a previous verdict of guilty in determining the penalty to be imposed in this trial. All guilty verdicts are recorded on the student's transcript.

The appropriate entry from the following listing shall be entered on and remain a part of the permanent record (which serves as the official transcript) of a student who withdraws from the College under accusation of an Honor Code violation or is found guilty of an Honor violation by the Honor Council:

- (1) Withdrew from the College on (date) under accusation of an Honor Code violation of (name the offense).
- (2) Found guilty of an Honor Code violation of (name the offense) on (date). The Honor Council decision was no dismissal.
- (3) Suspended from the College on (date) for (period of time) by the Honor Council for an Honor Code violation of (name the offense).
- (4) Upon readmission: "Readmitted to the College in good standing on (date)".
- (5) Absolutely dismissed from the College on (date) by the Honor Council for an Honor Code violation of (name the offense).

There will be a public statement following the trial (in the case of a verdict of guilty) regarding the type of case and the penalty imposed. It shall be the practice of the Honor Council to give such publicity of the facts of a case resulting in guilt as shall be considered advisable.

When an accused has been found guilty of an honor offense, and has been punished by suspension or absolute dismissal, the period of suspension or dismissal shall commence forthwith. One who has been suspended or dismissed shall have no rights and privileges of a Mary Washington College student, including the right to reside on campus, attend classes, or use

College facilities, except one who has been suspended shall be restored to all rights and privileges upon readmission. One who has failed to comply with a judgment of the Honor Council within 36 hours shall be deemed not to have complied forthwith.

All convictions shall relate back to the date of the offense; no grades or credits shall be awarded from that date forward regardless of the date of the conviction. In the event of a conviction without dismissal, the conviction shall have the following effect on grades and credits:

1. In the case of lying or stealing, no loss of grades or credits.
2. In the case of cheating, no grades or credits shall be awarded for the course in which the offense was committed.

In calculating the grade point average, the credit hours assigned to the course in which the offense was committed shall be included in "hours attempted" with no corresponding grade or credit value for the course.

- I. Minutes of the trial shall be kept by either an employed stenographer or tape recorder, or both. These minutes shall be in the custody of the Honor Council President, and it shall be his or her duty to see that they are properly stored for safekeeping. In the case of a verdict of not guilty, the minutes of the trial shall be destroyed immediately. In the event of a guilty verdict, the minutes shall be typed and kept on file by the Honor Council President. The transcript of the trial shall only be open to inspection by any person who may satisfy the Honor Council of his/her legitimate interest in the case. No notes or memoranda shall be permitted to be made from the transcript except the accused shall be entitled to a copy of the transcript of his or her trial upon payment to the Honor Council of the actual cost incurred in reproducing the transcript.
- J. A case resulting in a verdict of guilty may be retried only upon the offering of evidence which, (a) was not available for the trial (b) is not merely corroborative of evidence received at the trial, (c) is not designed primarily to impeach the testimony of a witness who testified at the trial, (d) bears directly on the guilt or innocence of the accused, and (e) could not, through the exercise of diligence, have been available for the trial.
An accused seeking to reopen a case shall state his or her grounds in writing to the Honor Council. The Council may hear an oral presentation if it elects to do so. The Council shall then determine if the grounds are sufficient to warrant a retrial. If a case is retried, it shall be retried in its entirety.
- K. Whenever there is a verdict of guilty, the Honor Council President shall promptly notify the President of the College.

Section 3. Appeal.

An accused who has been found guilty of an honor offense by the Honor Council may, within five days after notification of the decision of the Honor Council, notify the President of the Honor Council of his or her appeal of the finding of the Council. The Honor Council President shall then appoint an appellate board consisting of three unbiased Honor Council representatives who did not participate in the trial of the case, naming one of the three as the chairman of the appellate board. The accused shall be immediately notified of the names of those appointed to the appellate board.

Within five days after notification of the names of those who are members of the appellate board, the accused shall state in writing his or her grounds for appeal directly to the appellate board.

The appellate board shall limit its review to the record of the case, including all exhibits and an electronic or written tran-

scription of the incidents of the trial, on the following issues:

- (a) Whether the evidence is sufficient to support the findings of guilt.
- (b) Whether the accused was afforded due process under the Honor Constitution.
- (c) Whether the penalty was too harsh for the offense committed.

The board shall render its decision within ten days of receipt of written grounds for appeal from the accused which decision shall either (a) affirm the findings of the Council, (b) affirm as to guilt and reduce the penalty, or (c) reverse the finding and enter a finding of innocence. During the appellate process all sanction set forth in this constitution shall be staided.

The accused and the Honor Council President shall be notified in writing of the findings of the appellate board. The findings of the appellate board shall be final with no further right to appeal.

Article V: Ratification

Section 1. This constitution shall become effective when approved by two-thirds of the Honor Council, a simple majority of votes cast by the student body and when approved by the Board of Visitors of the College.

Article VI: Amendments

Section 1. An amendment to this constitution may be proposed by the Honor Council. An affirmative vote of two-thirds of the Honor Council and a simple majority of the votes cast by the student body shall ratify an amendment. If the Honor Council fails to adopt a student-petitioned amendment, this action may be overridden upon a petition of 10 percent of the student body. The amendment shall then be submitted to the student body for action. No amendment shall be effective until approved by the Board of Visitors of the College.

Approved by vote of the Student Body of Mary Washington College, March 25, 1981.

Approved by the Rector and Visitors of Mary Washington College, April 11, 1981.

Academic Policies & Regulations

How do I get an adviser?

What is a Departmental Representative?

What is the Dean's List?

How do I drop a course? How do I get a transcript?

What is a leave of absence?

What is academic probation?

What are final honors?

Overview

This section is designed to give students basic information regarding certain academic functions of the College. For further information, students are urged to consult the *Dictionary of Academic Regulations* or contact the Office of Academic Services, 209 George Washington Hall.

Absences From Class

A student unavoidably absent from class a week or more because of hospitalization, serious illness, or sudden emergency, should notify the Office of Academic Services by telephone 899-4694. Students should also be fully aware of the College's class attendance policy which is stated on pages 1 and 2 of the *Dictionary of Academic Regulations*. Copies of the *Dictionary* are available in the Office of Academic Services, 209 George Washington Hall.

Academic Advising

The Office of Academic Services provides advising on academic matters for students who have not declared their major. The Assistant Dean for Academic Services and Outcomes Assessment coordinates the work of the Academic Counselor and Advisers who are available in the office to consult with students on programs, career possibilities, and related academic matters. A student may at any time affiliate with a department and be assigned a pro tem departmental adviser who will informally advise the student on departmental and career aspects of course selection. As soon as 43 credits have been earned, a student may declare a major and be assigned a faculty adviser in his or her major department.

Academic Probation

Probation means a state of warning that a student does not have, for all recorded work at Mary Washington, a "C" average on graded courses. After every grading period, all students are sent probation (or suspension) notices if their overall grade point average has fallen or remained below 2.00. For more complete information see the *Dictionary of Academic Regulations*.

Academic Review Board

If there is a dispute between a student and a faculty member concerning a decision of the faculty member, every effort should be made by them to resolve the matter. If the disagreement cannot be resolved, the student may request a review of this decision no later than the end of the following semester, recognizing that the burden of proof is on the student.

In such cases, the following procedure is to be followed:

1. The student will submit a written statement of the matter under dispute, with any supporting material, to the chairperson of the department of the faculty member concerned (to the Vice President for Academic Affairs and Dean if the dispute is with the chairperson), with a copy sent to the faculty member.
2. Within seven (7) days the chairperson will review the dispute, consulting with the faculty member and student concerned, with other department members as appropriate, and will attempt to settle the dispute. If agreement is reached at this level, the process ends.
3. If either party does not accept the recommendation of the chairperson, the chairperson will forward all material including his/her recommendation to the Vice President for Academic Affairs and Dean.
4. The Vice President for Academic Affairs and Dean will review the material submitted and will determine whether or not further consideration of the matter would be fruitful. If the decision is that it would not be fruitful, the Vice President will render a final decision. If he/she

deems that further consideration is needed, the matter will be referred to the Academic Review Board to act as a conciliator between the student and the faculty member involved.

5. The Academic Review Board shall consist of the Vice President for Academic Affairs and Dean (acting as chairperson), two members of the Committee on Faculty Affairs, and the chairperson of the Student Association's Academic Affairs Council or his/her appointee.
6. The Academic Review Board will hear the evidence of both the student and the faculty member on the matter and, within two weeks of being convened, communicate its recommendations to the Vice President for Academic Affairs and Dean with copies to the student, faculty member and chairperson involved.
7. The Vice President for Academic Affairs and Dean will then render a decision which will be final.

If a student has a disagreement with regard to more than one individual decision with a faculty member, or if the student believes the faculty member has committed a breach of professional ethics, this may be conveyed to the chairperson or to the Vice President for Academic Affairs and Dean by the student or through the department representative for administrative review.

Career Advising

Each academic department has assigned at least one faculty member from whom students may obtain information about careers in that particular discipline. The Assistant Dean for Academic and Career Advising coordinates the efforts of these Career Advisers and offers various programs on career development to assist students at all stages of career exploration and job search.

Career Placement

Seniors and Juniors may open files in the Career Placement Office located in GW 203. A duplication fee of \$3.00 is charged for student files.

Commencement

Graduating Seniors are required to attend Commencement Exercises unless specifically excused by the Vice President for Academic Affairs and Dean.

Dean's List

The Dean's List is published once a semester by the Office of The Vice President for Academic Affairs and Dean. It recognizes outstanding academic achievement by members of the student body who are full-time students. The minimum grade point average for attaining Dean's List status is 3.5. Any grade of "I" (incomplete) at the end of a grading period disqualifies a student from eligibility for the Dean's List.

Departmental Representatives

The role of Departmental Representative is a serious one that requires considerable dedication. The basic duties of representatives are to represent the view of the majors to the faculty and to serve as liaisons between the majors and the Chairperson. Specifically, the representatives are responsible for attending all regularly scheduled monthly meetings of the

Department and such other meetings as may be called on an ad hoc basis; they have voting rights at such meetings and are expected to contribute to the deliberations. They are also required to attend all meetings of the Student Association's Academic Affairs Committee. More generally, the representatives are regarded as the student leaders of the Department and are expected to uphold and promote the interests thereof in all appropriate ways. In short, the position of representative is not merely an honorary one, but is one of responsibility, and it should be sought only by students who are willing to devote the necessary time to it.

Election Guidelines, Roles and Responsibilities of Departmental Representatives

A. Election Procedures

1. Nomination and voting by declared majors to be represented.
2. Eligibility for election—must be a declared major who will have at least 58 credits toward an MWC degree by the opening of the next academic session.
3. Elections—to be conducted by the outgoing representatives and/or the departmental chairperson.
4. Time of election—second semester of academic year, by date set by the Academic Affairs Chairperson at a uniform time, campus-wide.
5. Election results—to be reported in writing by department chairperson to the Student Association Academic Affairs Chairperson and the Vice President for Academic Affairs and Dean.
6. Term of office—one academic year. If an elected representative is unable to complete the term of office, for any reason (e.g. internship conflicts) a re-election will occur.
7. A Departmental Representative may serve more than a single one-year term.

B. Number of Representatives

There shall be one student representative for each 20 majors or fraction thereof. Departments composed of more than one discipline shall have representatives for each of those disciplines. In no instance shall there be more student representatives than faculty members in a department.

C. Roles and Responsibilities

1. To attend all meetings of the department faculty and have a voice on all appropriate matters concerning students in that department.
2. To attend every meeting of the Student Association Academic Affairs Committee and represent his/her department.
3. To assist with the advising of undeclared majors each semester.
4. To call meetings of his or her department majors regularly:
 - a. to inform students of department matters
 - b. to inform students of SA Academic Affairs Committee matters
 - c. to keep minutes of department majors' meeting
 - d. to furnish the Department Chairperson with a copy of minutes from meetings of the department majors
 - e. to plan extra-curricular activities for the department as desired
 - f. to coordinate departmental social events in order to promote good student/faculty relations.
5. To act as a mediator in any minor student/faculty dispute within the department.

Drop/Add Policy

Courses may be added only during the first week of class. Course registrations may be changed from graded to pass/fail or from pass/fail to graded in the first two weeks of class. Schedules for dropping courses are published in the College Calendar and are available in the Office of Academic Services. For complete information on procedures, consult an Academic Adviser or the Office of Academic Services (G.W. 209).

Educational Records

Federal regulations under the Educational Rights and Privacy Act of 1974 require that the College inform students and alumni of the rights afforded them by the Act. The following summary of Public Law 93-380 has been prepared so that each student may have an opportunity to become familiar with the provisions of this legislation. The law stipulates that students who are attending or who have attended the College (and the parents of some special status students) have the following rights:

1. To be provided a list of the types of educational records maintained by the College which relates directly to students;
2. To inspect and review the contents of these educational records;
3. To obtain copies of these records upon payment of the cost for reproduction and processing;
4. To be provided with the name and position of the official responsible for maintenance of each type of record and with an identification of persons who have access to the records and the purposes for which these persons may have access.
5. To be informed of the policies of the College for reviewing and correcting these records;
6. To receive from the College an explanation of these records upon reasonable request for such explanations;
7. To obtain a hearing for challenging the content of these records;
8. To be informed of the categories of information that the College has designated as "directory information" under this Act;
9. To have the educational records treated in a confidential manner by the College. Neither the records nor the personally identifiable information contained therein, other than directory information, will be released without written consent of the student to any party other than those specifically authorized by the Act.

Persons Having Access to Educational Records

1. The College will not permit access to, or the release of, educational records without the written consent of the student or eligible parent or legal guardian to anyone other than the following:
 - a. College officials who, in order to perform properly their duties, must have access to official records.
 - b. Officials of other schools or school systems in which the student seeks or intends to enroll, upon the condition that the student be notified of the request, receive a copy of the record if desired and have an opportunity to challenge the content of the record. (MWC policies below.)
 - c. Officials pursuant to their statutory responsibilities:
 1. The Comptroller General of the United States;
 2. the Secretary of Education;
 3. the Commissioner, the Director of the National Institute of Education or the Assistant Secretary for Education;

4. State educational authorities.
- d. Any party legitimately connected with a student's application for, or receipt of, financial aid;
- e. State and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to State statute adopted prior to November 19, 1974;
- f. Organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive test, administering student aid programs, and improved instruction;
- g. Accrediting organizations, for the purpose of carrying out their accrediting functions;
- h. Parents of dependent students as defined in section 152 of the Internal Revenue Code of 1954;
- i. Parties acting under authority of a judicial order or pursuant to any lawfully issued subpoena, upon condition that the students are notified of all such orders or subpoenas in advance of the compliance therewith by the educational institution;
- j. Appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons.

2. Any person may have access to "directory information" as defined by Mary Washington College under the authority of the Act, unless the student informs the custodian of the records containing such information that any or all of such information should not be released without the student's prior consent. "Directory information" includes "a student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent or other educational institution attended by the student."

NOTE: Any student wishing to have "directory information" withheld from College release should contact the appropriate office(s) in writing.

3. Medical and Counseling Center records are not included in that category of records open to inspection; however, such records may be personally reviewed by a physician or other appropriate professional of the student's choice.
4. Custodians of educational records are not required to give access to financial records of parents or any information contained therein, nor are they required to give access to confidential letters and statements of recommendation that were placed in the educational records prior to January 1, 1975, or to which the student has waived the right of access.

Maintenance, Availability, Interpretation, and Disposal of Records

1. The College does not permit access to, or the release of educational records to officials of other schools or school systems, except for cooperative programs, without the written consent of the student.
2. Custodians of educational records maintain an updated list of the types of such records they keep, and have established procedures for granting access to such records, except those excluded by the Act. These procedures provide for:
 - a. Inspection and review by students and eligible parents of the content of such records within a reasonable time, not to exceed 45 days, from date of request;
 - b. Copying of such records at the expense of the student or eligible parent, but not to exceed the actual cost of reproduction (provided such records are not available at their original source outside the College);
 - c. A response from the custodian to reasonable requests for explanations and interpretations of such records; and
 - d. An opportunity for a hearing in order to challenge the content of such records. Such hearing shall:
 - 1) Be held and decided within a reasonable time;
 - 2) Be conducted by an official who does not have a direct interest in the outcome;
 - 3) Be conducted so as to afford a full and fair opportunity to present evidence; and
 - 4) Be concluded by a written decision within a reasonable time after the hearing.
3. Challenges to records may be made only on accuracy and not on judgments, e.g., the accuracy of the recording of a grade, but not the grade itself.
4. Occasionally, and at their discretion, custodians of educational records will review and expunge such records, or portion, thereof, unless, prior to destruction the student or eligible parent has requested access.

Examinations, Final

All final examinations or tests given in lieu of final examinations must be given during the regularly scheduled examination period at the end of each semester either at the time listed for the course in the officially announced schedule or on a self-scheduled basis. If, in the opinion of the instructor, a course cannot benefit from a final examination or project (such as critiques), the instructor should formally request release from the requirement from the Academic Dean. Only if that request is granted in writing can the instructor complete the work of the course before the examination period. To protect the purpose of Reading Days, no examinations, including "take-home" examinations, can be distributed before the first day of the examination period. "Take-home" examinations must be returned to the professor at his/her regularly scheduled examination period(s).

A student who has not taken a required final examination has not completed the course requirements and fails the course. In accordance with Honor Council procedures, a student is required to pledge to disclose neither the contents nor the form of any examination until after the conclusion of the examination period.

Examinations are scheduled for three hours and should not interfere with subsequent examinations.

Self-Scheduling. Examinations that cannot conveniently be given at more than one time (for instance, those that use slides

or tapes, or laboratory arrangements) will be given just once, in the time scheduled for that class hour in the officially announced schedule. This period will not be available for self-scheduling.

In all other courses, a student is allowed to schedule his/her examination in a particular course in any of the time periods allotted to the instructor of that course except those set aside as in the paragraph above. At least one week in advance of the first examination period, students must inform their instructors, in writing, when they wish to take examinations. Conflicts or hardships will be resolved by the instructor in consultation with the Academic Dean.

Illness or Emergencies, During the Examination Period.

Any illness or emergency that prevents a student from attending an examination should be reported to the Office of Academic Services before the examination time. No examinations may be taken in the Health Center. Any student admitted to the Health Center who is too ill to take an examination at the scheduled time should give the title of the course, name of the instructor, and time of the examination to the head nurse, who will give this information to the Office of Academic Services. Any commuting student who becomes ill during the examination period should call the Office of Academic Services directly. The Office of Academic Services will notify the instructor of the reason for the absence from the examination, but it is the student's responsibility to get in touch with the instructor to arrange a time for the make-up examination as soon as health permits.

Field Trips

Field trips in individual courses may be initiated by a professor when the activity is an integral and necessary part of the required classwork. The College does not, however, excuse students from classes that may be missed while the student participates in a field trip. Therefore, all trips must be planned at a time when participating students will not miss other classes, except as they may voluntarily choose to do so.

Honors

Recognition of outstanding academic achievement is made at Mary Washington College through the honors award system. Intermediate honors are awarded to a student, who as a freshman and sophomore, maintained a grade point average of 3.75 or higher. Final honors are awarded to a student who, as a junior and senior, maintained a 3.75 or better average. Departmental honors are awarded in major subjects to students with qualifying grade point averages who undertake special projects or theses. Academic distinction is awarded at Commencement to students who have maintained high levels of scholastic achievement. There are three levels of distinction: summa cum laude for those who have attained a grade point average of 3.75 or higher; magna cum laude for those with a 3.50-3.74; and cum laude for those with a 3.25-3.49.

Internships

Juniors and Seniors in good standing may earn academic credit for supervised and sponsored quality work experiences. Due to the geographical ideal location of the College (midway between Washington D.C. and Richmond) many internship opportunities are available in both the public and private sectors. These work experiences may be used to explore theories, to confirm or modify career aspirations, or to develop particular skills. Often students benefit not only by enhanc-

ing their work histories but also by making valuable contacts in their disciplines. Students may be reimbursed for meals missed by contacting the Director of the Internship Program.

Leave of Absence

Any degree-seeking student whose overall MWC grade-point average is 2.00 or above who interrupts his/her pursuit of the degree, either by withdrawing during a semester or by not enrolling for a semester, should request a leave of absence by submitting either a "Request for Personal Leave of Absence" form or a "Request for Study Leave of Absence" form to the Office of Academic Services. The leave of absence will generally be granted if the appropriate form is submitted prior to the beginning of the first semester of absence or at the time of withdrawal during a semester.

Students on approved leave of absence whose absence does not extend beyond one semester will be permitted to complete the degree program as originally begun. Those who interrupt the pursuit of the degree by more than one semester for any reason other than study leave will be required to comply with any changes in degree requirements made during their absence.

Students on approved leave of absence will be sent, in time to meet all deadlines, a "Declaration to Continue" form and housing form (if appropriate). Registration materials will be sent to students on leave after the College receives the completed "Declaration to Continue" form, processing fee, and the appropriate tuition deposit.

Any student with an overall MWC grade-point average of 2.00 or above who interrupts his/her pursuit of the degree and has not taken an official leave of absence should apply directly to the Office of Admissions for continuance. If continuance is granted, the student must comply with any changes in degree requirements and academic regulations made during his/her absence.

A student whose overall MWC grade-point average is less than 2.00 who interrupts his/her pursuit of the degree, either by withdrawing during a semester or by not enrolling for a semester, is not eligible for leave of absence and must petition the Readmission Board for permission to re-enroll at the College.

Readmission Board

This panel, comprised of faculty and administrators, is appointed by the Vice President for Academic Affairs and Dean. The Board hears appeals concerning length of academic suspension and modifies the term when this is deemed appropriate. The Board also has the authority to approve or disapprove readmission contracts.

Student Membership on Faculty Committees

There are various student-faculty committees, all of which welcome and encourage active student participation. These committees deal with many areas of College concern—such as academic policies and procedures, administrative responsibility for specific aspects of the College program, and specific interests involving students and faculty.

Any student interested in serving on one of these committees must first file an application during the second semester of the academic year with the Student Association's Academic Affairs Committee. An ad hoc committee of the Academic Affairs Committee will study these applications,

conduct interviews, and make recommendations for student representatives to the President of the Student Association. The President will make his or her nominations for student representatives to the President of the College. The President will then formally invite these students to be members of a committee. The following is a list of faculty committees on which students serve:

College AA/EEO Advisory—The function of this committee is to assist and advise the College AA/EEO Officer on all aspects of affirmative action and equal employment opportunity, including periodic review of the Affirmative Action Employment Plan and the Equal Opportunity Program of the College. The Committee also provides ideas and suggestions to the College administration for improvements in the plan and program for equal opportunity for the College.

Committee on Academic Affairs—This committee is responsible for evaluating undergraduate academic policies, procedures and standards on an ongoing basis, formulating recommendations as necessary to ensure the continuing reputation and record of Mary Washington College as a high quality liberal arts institution.

Committee on Campus Academic Resources—The function of this committee is to provide information and recommendations to the librarian and the library staff, to administer the academic public occasions budget, to select from its membership appropriate faculty representation to the Distinguished Visitor in Residence Committee and to provide information and recommendations to the Audio-Visual Department and the Director of Academic Computing.

Committee on Course Offerings—This committee reviews, approves or rejects proposals from various departments for course deletions, designation of General Education requirement courses and changes in the organization or numbering of departmental offerings. In its deliberations, the committee will consider general philosophy, departmental and College facilities, staffing and current course offerings.

Committee of Special Programs—This committee is responsible for monitoring the internship and the BLS programs in cooperation with the Office for Continuing Education as well as the College's Internship Program. Also, this committee reviews, approves or rejects special majors, special degrees and applications for undergraduate research awards.

Distinguished Visitor in Residence—This committee is in charge of selecting, inviting, organizing and supervising programs and activities of the Distinguished Visitor in Residence.

Committee for Faculty Development and Evaluation—The committee studies the general questions of faculty evaluation and makes suggestions as to the types of evaluation systems that will be fairest, most accurate and most useful in determining teaching effectiveness and other contributions to College life.

Transcripts

Transcripts are available from the Office of Student Records. The cost is \$2.00 per transcript unless more than one copy is being mailed to the same address at the same time. In that event, the cost is \$2.00 for the first copy and \$1.00 for each additional copy. OFFICIAL transcripts must be mailed directly from the Office of Student Records to the college, business, or agency identified by the student. Unofficial copies of one's own transcript may be obtained from the Office of Student Records for \$2.00 per copy.
